WAGNER PARK NURSERIES
SIDNEY, OHIO

IN soliciting an order from you we hope for more than a mere sale of merchandise. We hope for an opportunity to help you utilize your purchase in such a way as to secure the utmost beauty and charm in your grounds. We are glad to be of service to our customers in giving advice as to what and where to plant with general cultural directions. We want you to have a real Wagner garden.

Not only does this concern make sure that every plant is of the utmost vigor; not only is every shipment packed so that it will arrive at its destination with this vigor unimpaired; but The Wagner Park Nursery Company takes a real interest in helping you secure the results you wish. A complete Landscape Gardening Service is offered—a real service recognized as of the highest quality by owners of many of the largest estates in the country.

THE WAGNER PARK NURSERY COMPANY, SIDNEY, OHIO, U. S. A.

INFORMATION AND SUGGESTIONS IMPORTANT—READ CAREFULLY

EARLY ORDERS. Place your orders early, as it is almost impossible during the rush of the planting season to fill an order on short notice without an injustice to others who have their orders previously booked. We practice filling orders in rotation as received, in accordance however, with locality and suitable planting season. In making up your order please give the price or size wanted to avoid delays and errors.

SHIPPING FACILITIES. We are admirably located for making shipments, having the C. C. C. & ST. L. (Big Four) Railroad East and West, the B. & O. Railroad North and South; also the Western Ohio Electric, all of which connect with various lines. We have Express Companies for above railroads, assuring you of prompt and direct service. Unless definite instructions are given, and these can be consistently followed, we must use our best judgment as how to ship.

PARCEL POST. When found practical we ship by parcel post. The roots are wrapped in damp packing material so will carry to most distant states in good condition, unless delayed or left exposed in transit, which seldom occurs. In ordering plants by mail please bear in mind that parcels are limited as to size and weight, and large sizes cannot always be sent by mail. Occasionally we find it necessary to express some orders that are wanted by parcel post, or send by parcel post some wanted by express, but such change is made for good reasons, such as a saving to our customers in transportation cost, or size of package will not warrant it. We prepay parcel post shipments, and if anything is due us we will send notice of the amount.

PLANTS BY EXPRESS. This is the most satisfactory method of transportation, as it enables us to give good values in the form of fine, large stock and usually receives good care in transit. We do not prepay express shipments, but can send larger plants, and if goods are miscarried they are more easily traced, and if damaged in transit easier to adjust such damage as may have occurred. When sent by express we usually send some extras to help defray the charge. In case of any damaged stock notify the express agent immediately of the damage as they as carriers are liable for any damages while in transit. Let them also make notation of damage on your express receipt or bill so that no controversies arise later with claim department. We send notice of shipment soon as forwarded.

FREIGHT SHIPMENTS. This method of shipment is advised only with heavy and bulky stock. Our direct lines North, East, South and West, give us shipping advantages over those who have only one railroad. In case of any damage to shipments while in transit handle as explained for express shipments.

GUARANTEE. We guarantee safe arrival by express or Parcel Post. Most failures with plants and bulbs growing are due to causes entirely beyond our control, such as unfavorable weather and soil conditions, too deep or too shallow planting, which renders it impossible for us to guarantee success of growth. We take all possible care to supply such stock as will, under proper conditions produce satisfactory results. We handle and pack all our plants in the best possible manner. Should stock not arrive in good condition, must report any complaints of this nature promptly or cannot be entertained. We also guarantee stock to be true to name, and will upon proper proof, replace any that may prove untrue.

REMITTANCES. Remittances should be made by Post Office Money Order, Registered Letter, Bank Draft or Express Money Order. Our terms are cash, and remittance should accompany order unless satisfactory references are given. Send remittance with order to avoid delays.

SPECIAL NOTE. Write your name and shipping address plainly on the sheet containing your order to avoid mistakes and delays. Use separate sheet for your order if possible and in every case give size or price of the article wanted. Many orders are received without any address which always causes much annoyance, delays and dissatisfaction. Prices unless otherwise noted are F. O. B. Nurseries. We make no extra charge for packing and use the best packing materials obtainable.

Flowers that bloom in the spring should be planted in the fall. "Autumn is Nature's planting time; Springtime, the season of Hearts' delight."

WAGNER PARK NURSERIES, SIDNEY, OHIO

The IRIS has come into its own!

Some of this world are just discovering what was an old story to Milton who sung of "Iris of all the hues." Tennyson, too, saw the beauty of the flower and he wrote of "winding under ranks of Iris."

Wagner's IRIS

PLANT NOW

Enjoy Their Flowers Next Spring

The Iris has brought new delights of color in garden and landscape treatment. Iris planted in the fall are sure to bloom the following season. It is vitally important that the matter of early planting be carried out. In recommending Iris as a decorative flowering plant that will give satisfaction, we have no hesitancy at all in saying that Iris has come to stay in the affection of those who live and appreciate the beautiful flowers.

Iris gives to the American lover of flowers a real treat. There are blooms that are worthy of the attention they are attracting. We have grown them in sufficiently large quantities and in infinite varieties to do more than help even the inexperienced garden enthusiast in having a wealth of color next spring. The Iris is a magnificent flower and in colors of infinite range. It is possible to make as good a showing with Iris as with other flowers.

Plant a collection of Iris and you will understand why this flower with its beautiful blossoms and its rich leaves has won such a place of prominence among lovers of attractive gardens.

Our Victory Collection of Iris

"Not every foot of earth need be given to vegetable crops. Let Irises have a place, for the mental as well as the physical forces must be nourished."

The Iris is a perennial plant that commends itself to you for many reasons. The blooms are beautiful and in their numerous tints of color are a ceaseless delight to the lovers of flowers. We have American-grown Iris of infinite variety and will be glad to help you demonstrate the added beauty they will give to your place. In this collection will be found a great assortment of colors of almost every shade. Plant Irises extensively, you cannot misplace them. These are all of select Named but our selection.

PRICES: One dozen strong roots, \$1.00, three dozen (36 plants) for only \$2.50, 100 for \$6.00, 1,000 for only \$40.00. Large size, one dozen, \$2.00, three dozen for \$5.00, 100 for \$12.00, 1,000 for only \$75.00.

Fall is the time to plant; spring is the time to enjoy the blooming splendor of your garden. Wagner grown Iris will delight you next year.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Choice Named Varieties of Iris

ATROPURPUREA. Deep purple large and fine; one of the best for general planting. **Strong roots, 15c; large size, 25c; extra heavy clumps, 50c.**

AUREA. A beautiful species producing solid chrome yellow flowers with practically no markings; a good, free bloomer and very hardy. **20c each; large size, 35c each; extra heavy clumps, 50c.**

ALVELREA. Upright petals light blue, falls brilliant purple. **Strong roots, 25c; large size, 35c.**

BLACK PRINCE. Early, rich royal purple. **Strong roots, 35c; large size, 50c.**

BRIDESMAID. (M) A soft lavender, falls penciled carmine; a wonderful blending. **Strong roots 15c; large size, 25c; extra heavy clumps, 50c.**

CALIFORNIA. Fine bright sunflower yellow. **Strong roots, 35c; large size, 50c; extra heavy clumps, 75c.**

CALYPSO. Pale blue, veined white and pale lilac; a grand variety. **Strong roots, 15c; large size, 25c; extra heavy clumps, 50c.**

CELESTE. Celestial blue changing to porcelain; most beautiful combination. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

CYTHERA. Tall grower and fine flower. Stand petals lavender, falls purple, veined white. **Strong roots, 35c; large size, 50c; clumps, 75c.**

CANARY BIRD. Stand petals bright yellow, falls deep yellow. **Strong roots, 35c; large size, 50c; clumps, 75c.**

CANDICANS. Stand petals light lavender, falls reddish-purple. **Strong roots, 25c; large size, 35c; clumps, 60c.**

DONNA MARIE. A most beautiful variety producing large pearly white flower. The outer petals are shaded lilac. Fine for general planting, as it will harmonize with any other variety or plants. **25c each; large size, 40c; extra heavy clumps 60c.**

DARIUS. A strong grower, stem often attaining a height of 2½ ft. Stand petals lemon-yellow, falls lilac, bleaching on edge. **Strong roots, 25c; large size, 40c; clumps, 60c.**

DR. THEMENT. A deep rosy-purple with deeper veins. **Strong roots, 35c; large size, 50c; clumps, 75c.**

EDITH COOK. A deep yellow, splashed with purple, very odd. **Strong roots, 30c; large size, 40c; clumps, 60c.**

FAIRY. A very light lavender almost white. One of the most showy and satisfactory for general planting. **Strong roots, 15c; large size, 25c; clumps, 50c.**

FLAVESCENS. Light primrose yellow, very large, fine flowers; remarkable free-blooming. **Strong roots, 15c; large size, 25c; extra heavy clumps, 50c.**

FLORENTINA. A solid blue, early, fragrant, fine for general planting. **Strong roots, 20c; large size, 35c; clumps, 50c.**

FLORENTINA ALBA. (Orris Root) Flowers large and very fragrant; color white tinged with blue, and of the earliest to come into bloom. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

FRAGRANS. Stands white, edged blue, falls white, blue veined. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

GERTRUDE. Beautiful violet-blue, solid color. **Strong roots, 25c; large size, 35c; clumps, 50c.**

GLADSTONE. Erect petals white tinged violet, drooping petals deep violet, almost a solid color, white stripes at base of petals. **Strong roots, 25c; large size, 35c.**

GRACCHUS. Erect petals lemon, drooping petals pale yellow reticulated purple; dwarf compact growing. **Strong roots, 20c; large size, 35c;**

HERLEQUIN. An orchid-like flower, stands pearly-white with purple spots, falls heavy-striped with deep purple. **Strong roots, 25c; large size, 35c; clumps, 50c.**

HER MAJESTY. Pinkish violet and deep reddish violet with dark veining. **Strong roots, 25c; large size, 35c; extra heavy clumps, 50c.**

HONORABILIS. Stands golden-yellow, falls crimson-brown. **Strong roots, 15c; large size, 25c; clumps, 50c.**

JOHN DEWITT Stands bluish-violet, falls deep violet-purple, a grand variety. **Strong roots, 15c; large size, 30c; clumps, 50c.**

JULIUS CAESAR. Upright petals yellow, falls brownish stained yellow. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

KHARPOT. Standards violet; falls velvety violet purple; very large, handsome flower. **Strong roots, 35c; large size, 50c.**

MADAME CHEREAU. One of the most popular of this species. A strong grower, very hardy and free bloomer. The flowers are as delicate as orchids, are pure white with edges penciled lavender. **10c each; large size, 25c each; extra heavy clumps, 35c.**

MRS. DARWIN. Very fine large pearly white, free flowering. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

MRS. NEUBRONNER. An exceptionally fine golden yellow. A grand, free bloomer. **Strong roots, 25c; large size, 35c; clumps, 50c.**

MAORI KING. Stands yellow, falls satiny brown edged yellow. **Strong roots, 30c; large size, 40c; clumps, 60c.**

NECLECTA. Upright petals fine, deep lavender, falls purple, large flowers, very fine. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

PALLIDA A. VICTOR. Very large, deep lavender, extra fine. **Strong roots, 35c; large size, 50c; extra heavy clumps, 75c.**

PALLIDA QUEEN OF MAY. Erect petals orange, falls rosy lilac, veined yellow. **Strong roots, 20c; large size, 35c; extra heavy clumps, 50c.**

PRICES OF ABOVE VARIETIES OF IRIS IN QUANTITIES—Six plants of any one variety at five times the single rate price. Twelve plants of any one variety at ten times the single rate price. Special prices on 100 and 1000 lots.

The Iris is today one of the most fascinating and alluring flowers in the American hardy garden. Plant them freely.

WAGNER PARK NURSERIES, SIDNEY, OHIO

WAGNER'S CHOICE NAMED IRIS

(Continued)

Plant Irises anywhere. They always respond with a showy mass of blossoms even when planted in low, wet and boggy places or on margins of water pools and lakes.

PRICES OF ABOVE VARIETIES OF IRIS IN QUANTITIES—Six plants of any one variety at five times the single rate price. Twelve plants of any one variety at ten times the single rate price. Special prices on 100 and 1000 lots.

Wagner's Named Single Early Tulips

The Tulip, always attractive from its beauty and brilliancy of color, is one of the popular early spring flowers. A few bulbs scattered here and there produce but little effect, but when planted in masses or in groups they become at once grand and brilliant, and eclipse in variety of

To assist in the selection of varieties that grow to the same height, we give directly after the description of each variety the average height in inches.

coloring and picturesque effect almost any other flowers. Tulips require cultural treatment similar to Hyacinths; the bulbs, being smaller, should not be planted so deep. When grown indoors, put six bulbs in a 6-inch pan or pot. Those varieties marked with asterisk (*) are best for forcing.

ARTUS. Dark scarlet, elegant flower, one of the most used red tulips for bedding on account of its keeping qualities. Recommended. 10 inches. 60c per dozen, \$4.50 per 100, \$30.00 per 1000.

ALBION. (White Hawk.) Pure white, very large flowers of good keeping qualities, exquisite form. The best white forcing Tulip and recommended for beds. 10 inches. 75c per dozen, \$5.50 per 100, \$45.00 per 1000.

***CHRYSOLOGA.** Pure yellow, large. 12 inches. 70c per dozen, \$5.10 per 100, \$34.00 per 1000.

COTTAGE MAID. Rose with white shade; a lovely variety, splendid for bedding. This is the most satisfactory light pink Tulip on account of its form and keeping qualities: this variety cannot be praised too highly. 12 inches. 70c per dozen, \$5.10 per 100, \$37.00 per 1000.

***DUCHESS DE PARMA.** Deep orange maroon with an irregular border of deep golden yellow, very large globular flowers, which makes it an exceptionally showy bedding Tulip, very similar to Keizerkroon. 10 inches. 70c per dozen, \$4.80 per 100, \$35.00 per 1000.

***KEIZERKROON.** Bright red with broad yellow border, large flower, strong stem, fine for forcing and very effective for bedding; the most showy and popular bedding Tulip, for which purpose thousands and thousands are used. 16 inches. 75c per dozen, \$5.50 per 100, \$40.00 per 1000.

LA REINE MAXIMUS. White tinted rose. 10 inches. 70c per dozen, \$5.25 per 100, \$48.00 per 1000.

***PROSERPINE.** Rosy carmine with white center, marked slate-blue; an enormous large flower of a full globular shape, sweet scented. This is the best Tulip for early forcing and also an extremely handsome bedding Tulip. 10 inches. \$1.50 per dozen, \$9.00 per 100, \$40.00 per 1000.

ROSAMUNDI HUIKMAN. Delicate rose and white. 10 inches. 90c per dozen, \$7.00 per 100, \$50.00 per 1000.

***YELLOW PRINCE.** Clear yellow, sometimes streaked with dull, brownish red, large flower, sweet scented. A fine bedding Tulip for which it is used in large quantities, also good forcing. 8 inches. 65c per dozen, \$4.50 per 100, \$35.00 per 1000.

MIXED TULIPS. In separate colors, White, Pink, Red, Yellow, Red and Yellow, Terra Cotta, Violet. 60c per dozen, \$3.85 per 100, \$28.50 per 1000.

Wagner's Superb Darwin Tulips

The late-flowering Darwin Tulip has out-classed all its predecessors in type, style and beauty, and is at the present time the Queen of the Tulip family. It attains a height of two to three feet, with strong, heavy foliage, erect and robust stem, terminating in large and massive flowers. The colors of the Darwin embrace all the best shades and most of the flowers show a particular satiny effect. Darwin Tulips are fine among shrubbery and perennials; they grow tall, and bloom for a long time.

Darwin Tulips are most valuable for permanent planting. With deep planting, 4 to 5 inches in heavy soil and 6 inches in light soil, they will continue to bloom for years. They also thrive in semi-tropical climates, like those of California and the Southern States, better than the early Tulips.

BARONNE DE LA TONNAYE. Vivid pink, margined blush rose; long, large flower, retaining its color well. A sturdy variety and one of the best for forcing or bedding. 60c per dozen, \$4.00 per 100, \$35.00 per 1000.

MR. FARNCOMBE SANDERS. Scarlet, inside vivid cerise scarlet with white center, marked blue; large broad petaled flower of perfect shape. Amongst the reds it is the best sort, and it is also good for forcing. We recommend this sort highly. 90c per dozen, \$6.60 per 100, \$44.00 per 1000.

GRETCHEN. Outside blush, inside soft blush; very beautiful. 70c per dozen, \$4.00 per 100, \$34.00 per 1000.

PRIDE OF HAARLEM. Immense flower of deep rose, shaded scarlet. 60c per dozen, \$4.00 per 100, \$33.00 per 1000.

SPECIAL DARWIN MIXTURE. There is frequently an over supply of some varieties which usually consist of the finest sorts, and to reduce this stock we offer named varieties at an unusually low price. The selection of kinds, however, must be left to us. 65c per dozen, \$4.00 per 100, \$30.00 per 1000.

MIXED DARWINS. All colors; fine assortment. 60c per dozen, \$3.85 per 100, \$28.50 per 1000.

Your garden will be noticeable earlier, far handsomer and more certain next year by doing your planting this fall.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Double Tulips

This class of Tulips is one of the most valuable. They are admirably adapted for pot culture and form a pleasing contrast to the Single Tulips in the green house or conservatory. When planted in the open border they are very showy, and a succession of bloom may be had by a judicious selection from the following varieties. They form a dense mass of bloom when grown in beds, and the flowers remain in perfection of bloom longer than most of the single varieties.

Those marked with (*) are best for forcing.

***CROWN OF GOLD.** One of the finest double golden yellows for forcing. 85c per dozen, \$6.00 per 100.

***IMPERATOR RUBRORUM.** Fine bright scarlet; large flower. This sort is used in large quantities for forcing and bedding; highly recommended. 12 inches. 90c per dozen, \$7.00 per 100, \$50.00 per 1000.

LA CANDEUR. White, with green tips; large, full flower on very strong stem; good keeper, and recommended for bedding. 10 inches. 70c per dozen, \$5.10 per 100, \$34.00 per 1000.

***MURILLO.** Delicate pink, white, flushed, beautiful shaped flower on strong stem; it is the most popular double Tulip for bedding and forcing. We can recommend this variety strongly. 12 inches. 60c per dozen, \$4.00 per 100, \$30.00 per 1000.

RUBRA MAXIMA. Dark red; excellent for bedding. 14 inches. 50c per dozen, \$4.00 per 100, \$30.00 per 1000.

RAINBOW MIXTURE. Double tulips, all colors. 65c per dozen, \$4.80 per 100, \$32.00 per 1000.

Parrot or Dragon Tulips

These belong to the late or May-flowering Tulips, and have immense flowers in brilliant and varied colors. The petals are curiously fringed or cut, and the form of the flower, especially before it opens, resembles the neck of a parrot. They are very showy and should be grown in every flower garden.

ADMIRAL OF CONSTANTINOPLE. Red, fine. 65c per dozen, \$4.00 per 100, \$32.00 per 1000.

LUTEA MAJOR. Yellow. 65c per dozen, \$4.00 per 100, \$32.00 per 1000.

PERFECTA. Yellow and scarlet. 60c per dozen, \$3.75 per 100, \$32.00 per 1000.

SUPERFINE MIXED. 55c per dozen, \$3.50 per 100, \$24.00 per 1000.

Wagner's Hyacinths

The Hyacinth is one of the most popular of the Fall bulbs and commands a place in every home and garden. There is nothing more attractive than a delightful fragrance, together with their long keeping qualities and decorative appearance. They can be flowered in the house as early as January and a succession of bloom may be had until April by planting at suitable intervals and bringing to light and heat in rotation. Not less than 25 bulbs of a variety can be ordered at 100 rate.

NAMED SINGLE HYACINTHS

Our exceptionally choice Hyacinths have always given satisfaction. Our own special growers, who give their personal attention to this particular class of bulbs, assure us that there are none better. (*) Best forcing varieties.

***GERTRUDE.** Beautiful bright pink, fine large and compact spike, the most popular dark rose Hyacinths for bedding and forcing. 25c each, \$2.00 per dozen, \$15.00 per 100.

***KING OF THE BLUES.** Dark blue, splendid early sort and really a king amongst the blue varieties. 25c each, \$2.00 per dozen, \$15.00 per 100.

L'INNOCENCE. Finest white; extra large, well formed spike; one of the finest. 25c each, \$2.00 per dozen, \$15.00 per 100.

LA VICTOIRE. Brilliant deep red. 25c each, \$2.00 per dozen, \$15.00 per 100.

***GRAND MAITRE.** Porcelain blue, very large spike, one of the most used. A fine variety. 25c each, \$2.00 per dozen, \$15.00 per 100.

***YELLOW HAMMER.** Golden yellow, the finest of all yellows. 25c each, \$2.00 per dozen, \$15.00 per 100.

Crocus

A universal favorite, being one of the earliest flowers seen in the spring. They are neat, dwarf and compact in growth, and the blooms are of bright colors. If planted closely they make a very pretty display immediately after the snow goes off in the Spring. Should be largely planted in the grass on lawns. The effect is beautiful. For flowering in pots, baskets, etc.

KING OF THE WHITES. Large; white; fine. 40c per dozen, \$2.00 per 100, \$15.00 per 1000.

LARGE-FLOWERED SHADES OF WHITE. 35c per dozen, \$1.75 per 100, \$12.00 per 1000.

LARGE-FLOWERED SHADES OF BLUE AND PURPLE. 35c per dozen, \$1.75 per 100, \$12.00 per 1000.

LARGE-FLOWERED GOLDEN YELLOW. 40c per dozen, \$2.00 per 100, \$15.00 per 1000.

MIXTURE OF ALL COLORS. 25c per dozen, \$1.35 per 100, \$9.00 per 1000.

Colchicum

Surprisingly beautiful flowers. Requires no soil, no water, only little sunlight, yet produces wonderfully attractive flowers. Unique for table, room or window decoration. Flowers are rose tinted, shading to pearly white and exhale a refreshing fragrance. Mammoth bulbs, 35c, 3 for \$1.00, 12 for \$3.50. Instructions as to care etc., accompanying the bulbs.

SINGLE BEDDING HYACINTHS

Specially recommended for bedding. They are extra select bulbs and from which the very finest flowers are produced. We offer them in the following separate colors without names.

MAMMOTH SIZE SELECT BULBS

Don't wait till spring to plant and thereby lose an entire year's growth. Get started now. "The Fall best of all." Plant Bulbs now.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Wagner's Superb Narcissus or Daffodils

Giant Trumpet Narcissus

The Narcissus or Daffodil is becoming more popular every year. It is hardy in every way and thrives most anywhere. For naturalizing in woods and fields, nothing equals them. When once established they multiply rapidly and in a short time cover tremendous areas. They are equally desirable for pot culture and winter flowering. Three or four bulbs put into a 5 or 6-inch pan or pot will with their exquisite gold and silver blossoms brighten the dull months of the winter and early spring. Our Narcissus bulbs are all grown by the most reliable producers in Europe, and customers may depend upon getting strictly first-class goods. Those varieties marked with asterisk (*) are the leading varieties for forcing.

Giant Trumpet Narcissus, Large Flowered

This type is the showiest of the genus, and also the most useful, growing easily either indoors or in the open ground. Every variety of this type offered is deserving of extensive planting, and you can set out any of them with full assurance that you will get a bountiful harvest of blossoms in the spring.

EMPEROR. Deep primrose perianth, rich full yellow trumpet, extra fine and valuable to the trade. Large bulbs, 90c per dozen, \$5.50 per 100, \$48.00 per 1000. Mammoth size bulbs, \$1.00 per dozen, \$7.50 per 100, \$60.00 per 1000.

***EMPRESS.** Very large, reflexed yellow trumpet, broad white perianth of great substance; of strong and robust growth; one of the best; very fine for cutting and bedding. Forces easily. Large bulbs, 90c per dozen, \$5.50 per 100, \$48.00 per 1000. Mammoth size bulbs, \$1.00 per dozen, \$7.50 per 100, \$55.00 per 1000.

***GOLDEN SPUR.** The most popular variety; very large and fine flower; immense golden trumpet, reflexed at the lip, very broad perianth; a splendid forcing variety; and is as popular and valuable out of doors as for forcing. Vigorous grower, always doing well, flowers early and freely. Large bulbs, 70c per dozen, \$5.00 per 100, \$45.00 per 1000. Mammoth size bulbs, \$1.00 per dozen, \$7.00 per 100, \$60.00 per 1000.

***TRUMPET MAJOR.** Trumpet and perianth deep golden yellow; flower very effective; free bloomer; very popular for forcing and bedding. 80c per dozen, \$6.00 per 100, \$42.00 per 1000.

VON SION. (Telamonius Plenus.) The well known double yellow daffodil. Flowers are deep golden yellow, large and beautiful. This is the most popular of all Daffodils. They are used to great advantage for planting in clumps in the permanent border or shrubbery. Large bulbs, 75c per dozen, \$5.00 per 100, \$42.00 per 1000. Mammoth size bulbs, \$1.00 per dozen, \$7.00 per 100, \$55.00 per 1000.

OUR SPECIAL MIXTURE OF DOUBLE NARCISSUS. Choice bulbs, \$1.00 per dozen, \$5.25 per 100, \$32.25 per 1000.

Jonquils and Various Narcissi

The Jonquils have graceful forms, delicious fragrance and deep golden yellow color. They are very popular, and are also fitted for forcing.

SINGLE SWEET SCENTED. Deep yellow free blooming. Select bulbs, 85c per dozen, \$5.40 per 100, \$38.00 per 1000.

DOUBLE. Sweet scented; fine deep yellow. Select bulbs, 90c per dozen, \$5.50 per 100, \$40.00 per 1000.

The Poet's Narcissus

These are the true Poet's Daffodils. They have a delicate perfume, and are very charming in form and color. We can recommend them amongst shrubbery or in the grass. All have snowy white perianth and flattened yellow crown, more or less scarlet or crimson colored.

POETICUS. (Pheasant's Eye.) The well known Poet's Narcissus; pure white with red crown; very fragrant; excellent for bedding. For naturalizing in wild gardens this is one of the best sorts. Perfectly hardy. Select bulbs, 50c per dozen, \$3.50 per 100, \$32.00 per 1000.

ORNATUS. (Improved Poeticus.) Broad pure white perianth with red crown; can be forced and blooms earlier outdoors. Beautiful and valuable for cutting. This is the most popular of all and we can recommend it. Select bulbs, 50c per dozen, \$3.00 per 100, \$28.00 per 1000.

Incomparabilis, or Star Narcissus

Strong growers, hardy and fine bloomers. When forced for winter flowers they are splendid, and when used for cut flowers are very decorative.

***SIR WATKIN.** Sulphur petals, deep yellow cup, very handsome, large flower. Mammoth bulbs, \$1.00 per dozen, \$7.00 per 100, \$62.00 per 1000.

Polyanthus Narcissus

These produce fine clusters of flowers, which have a very delicious scent. They may be forced very easily and early. The Polyantha Narcissus are not hardy in the North, but can be grown out-doors in a well drained soil if carefully protected.

***PAPERWHITE GRANDIFLORA.** Pure white, best of all for early forcing. Bloom from the beginning of December; grown inside in pots and also in dishes and bowls with pebbles and water, in same manner as Chinese Scared Narcissus. Large size bulbs, 90c per dozen, \$6.50 per 100, \$45.00 per 1000. Mammoth size bulbs, \$1.00 per dozen, \$7.00 per 100, \$50.00 per 1000.

Hardy Lillies

CANDIDUM. (Annunciation or Madonna Lily.) May, June. The most popular of garden Lillies. Flowers are pure snow white and very fragrant, borne on long stems. Large bulbs, 35c, \$3.50 per dozen. Mammoth bulbs, 50c, \$5.00 per dozen.

ELEGANS ORANGE QUEEN. Medium height, very vigorous, beautiful light orange color with dark spots; 50c each, \$5.00 per dozen.

ELEGANS MIXED. Habit of growth same as above, with varied orange-scarlet blossoms. 25c each, \$2.50 per dozen.

TIGRINUM SPLENDENS. (Tiger Lily.) Orange-red, spotted black. 25c each, \$2.50 per dozen.

TIGRINUM FL. PL. (Double Tiger Lily.) Double, bright orange-red flowers, spotted black. 35c each, \$3.50 per dozen.

LILIMUM MYRIOPHYLLUM. (New Regal Lily.) July. Considered the finest of all Lillies. Not only on account of its large flowers, but owing to its extreme hardiness and easy culture. May also be used for forcing. Flowers large, white and slightly suffused with pink, with a beautiful shade of canary yellow at extreme base. Blooming size bulbs, \$1.00 each, \$10.00 per dozen. Extra select bulbs, \$1.25 each.

The charm of the garden rests in the constant change and variety, which can be better secured with hardy plants than with any other. Plant hardy flowers. WAGNER PARK NURSERIES, SIDNEY, OHIO

Wagner's Hardy Flowers

The Garden of Hardy Flowers is of gorgeous bloom from earliest spring until frost, glorified by its appropriate flowers from month to month, with new things each day to delight you. Year after year this goes on and the garden increases in beauty and loveliness.

ABBREVIATIONS—Letters D., M. and T., immediately following the name of varieties indicate the height of the various kinds when fully matured, viz.: (D) indicates growing heights from 6 to 15 inches; plant these varieties from 6 to 15 inches apart. (M) indicates height from 15 to 36 inches; plant these varieties 12 to 30 inches apart. (T) indicates height from 36 to 60 inches; plant these varieties from 30 to 48 inches apart. There is no set rule as to distance for planting the various varieties. That is a matter of taste for some prefer heavy mass effects, requiring close planting while more open effects require planting farther apart. We give the two extremes as to distance but one may deviate from this rule, planting closer or farther as desired.

MULCHING—While mulching plants for winter is very beneficial and with many varieties necessary, especially the first winter, many make the mistake of putting the mulch on too early before the plants are well ripened which frequently causes the green growth to decay and will sometimes rot the very crown and heart of plant life or growth. Again this early mulching frequently starts new growths owing to the heat of the mulch, which are killed when the freezing sets in. For best success do not mulch heavily until the ground is thoroughly frozen when the covering or mulch will keep the soil at an even temperature throughout the entire winter and when removed gradually in spring the new growth will readily start fresh and vigorous, producing healthy sturdy stalks and flowers.

ACHILLEA THE PEARL. (D) June to Oct. Low spreading character with pure white flowers. Some are perfectly double, produced in large sprays. **Field grown, 10c; large size, 20c; clumps, 35c.**

BOULE DE NEIGE. (Ball of Snow) (D) An improvement on The Pearl; flowers of more perfect form, with fuller centers. **Field grown, 20c; large size, 30c; clumps, 50c.**

ASTER TARTARICA. (M) An exceptionally strong grower and a plant of great hardiness; will endure any kind of exposure and cold without the least protection. Color, bright lilac purple. Does well in any soil or situation. **Field grown, 10c; large size, 20c; clumps, 35c.**

AEGOPODIUM VARIEGATA. (D) Rapid growing plant with variegated foliage, thriving in any soil. **Field grown, 10c; large size, 15c; clumps, 25c.**

ANCHUSA ITALICA. (M) June, July. Deep blue flowers. **Field grown, 25c; large size, 35c; clumps, 50c to 75c.**

ANEMONE JAPONICA ALBA. (D) Snowy white. Very useful for cutting. **large size, 50c.**

ANTHEMIS TINCTORIA. (Golden Marguerite) (M) June to September. Golden yellow, sun or shade. **Field grown, 15c; large size, 25c; clumps, 35c to 50c.**

AQUILEGIAS Aquilegias or Columbines are extremely beautiful and a collection of them should be a feature in every garden.

CHRYSANTHA. (M) May to July. Flowers golden yellow. **Thrifty plants, 20c; large size, 35c; clumps, 50c.**

COERULEA. (M) May and June. Bright blue flowers. **Thrifty plants, 25c; large size, 35c; clumps, 50c.**

NIVEA GRANDIFLORA. Fine pure white. **Thrifty plants, 20c; large size, 35c; clumps, 50c.**

HYBRIDS. (M) Long spurred, various colors, a fine mixture. **Thrifty plants, 10c; large size, 20c; clumps, 35c to 50c.**

ARALIA CORDATA. (M) Strikingly handsome foliage. **Field grown, 25c; large size, 35c; clumps, 50c to 75c.**

BAPTISIA AUSTRALIS. (M) Flowers pea-shaped and bright blue. **Large size, 35c; clumps, 50c to 75c.**

BOCCONIA CORDATA. (T) Flowers in panicles, creamy white color. **Large size, 35c; clumps, 50c.**

BOLTONIA ASTEROIDES. (T) Closely resembling and allied to the hardy Asters; flowers pure white; Aug. and Sept. **Field grown, 10c; large size, 25c; clumps, 50c.**

CASSIA MARILANDICA. (American Senna) July to August. Panicles of bright yellow. **Large size, 35c; clumps, 50c.**

COREOPSIS LANCEOLATA GRANDIFLORA. (D) A gem among hardy plants. It begins to flower in June and continues in bloom more or less throughout the season. Flowers are of a golden yellow, are of a graceful form and invaluable for cutting. Succeeds in any position. **Field grown, 10c; large size, 20c; clumps, 35c.**

DIGITALIS AMBIGUA. Showy flowers of pale yellow. **Thrifty plants, 20c; larger size, 35c; clumps, 50c.**

GLOXINIAEFLORA. (M) July and August. This strain embraces a wide range of color, from pure white to deep pink. **Thrifty plants, 25c; larger size, 35c.**

WAGNER'S SHASTA DAISIES Flowers of the purest glistening white, of enormous size and produced on long, stiff, wiry stems; **Thrifty plants, 20c; larger size, 35c; clumps, 50c.**

DELPHINIUMS BELLADONNA. (M) Clear turquoise blue flowers. **Thrifty plants, 15c; larger size, 30c; clumps, 50c to 75c.**

CHINENSIS. (D) July, August. Sky blue flowers. **Thrifty plants, 10c; larger size, 25c.**

CHINENSIS ALBA. (D) July, August. Pure white. **Thrifty plants, 10c; larger size, 25c.**

TALL ENGLISH. Includes practically all shades of blue. In mixed colors. **Thrifty plants, 20c; larger size, 35c; clumps, 50c to 75c.**

FORMOSUM. (M) June to August. Intense deep blue. **Thrifty plants, 20c; larger size, 35c.**

Quantity Prices Six plants of any one variety at five times the single rate price. Twelve plants at ten times the single rate price.

Plant hardy flowers and you will have gardens that will be artistic, interesting and beautiful from early spring until late in the fall.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Hardy Chrysanthemums

Many are the lovely flowers that give a succession of beauty throughout the summer day, but when fall comes we have still the best in reserve, notably old-fashioned and really hardy Chrysanthemums.

DIANA. Fine pure white, grows very erect. Field grown, 50c.

ETNA. Very fine large fully double flower. Color, old rose, with salmon-pink shading; a striking variety. Field grown, 35c; clumps, 50c.

EXCELSIOR. Pure yellow fully double flowers of medium size. Grows very erect. Field grown, 50c.

HIAWATHA. Clusters of small but beautiful bronze-red flowers. Very free bloomers. Field grown, 50c.

INDIANA. Fiery red flowers, very distinct and showy. Medium size flower but full to center. Field grown, 60c.

JULIA. A dwarf grower producing large clusters of flowers of medium size, color red and bronze with amber shadings, very free flowering. Field grown, 30c; clumps, 50c.

LITTLE BEAUTY. Dwarf compact grower. Flowers are pure white of medium size, but fully double. Very free flowering. Field grown, 40c; clumps, 75c.

OLD HOMESTEAD. Very large full flower and very free to bloom. Color beautiful lilac-pink. Field grown, 30c; clumps, 50c.

ORANGE BEAUTY. Orange with center of petals shading to a deep reddish orange; medium size flower but full to center. Field grown, 30c; clumps, 50c.

SUPERBA. Large double full flower, color deep rose pink. A beautiful variety and very free flowering. Field grown, 35c; clumps, 50c.

VICTORY. Large flowered, pure white, fully double and fine. Field grown, 30c; clumps, 50c.

Special Hardy Chrysanthemum Offer

1 Etna	1 Orange Beauty	Field grown \$1.50

Grandmother's Hardy Garden Mums

These are the old-fashioned and reliable Chrysanthemums that were so highly prized in the garden corners and alongside the house of "grandmother's home."

We offer the White, Pink, Red and Yellow separate colors. Field grown, 15c; larger plants, 25c; clumps, 35c to 50c.

OTHER HARDY PLANTS

Coreopsis Lanceolata Grandiflora

FUNKIA COERULEA. (D) Their broad massive foliage makes them attractive subjects for hardy border even when not in flower. Very desirable for shady locations. Blue flowers. Large field plants, 10c; extra large, 25c; clumps, 50c to 75c.

CORDATA. Large, pure white, lily-like flowers. 50c.

SINENSIS. (D) White tinged blue flowers, green foliage. Large plants, 25c; extra large, 35c; clumps, 50c.

SPATHULATA. Blue flower, green foliage. Large plants, 35c; clumps, 50c.

UNDULIA MEDIA VARIEGATA. (D) Striped foliage, purple flowers. Large plants, 25c; extra large, 50c.

VERIDA. Green foliage with blue flowers. Large plants, 35c; clumps, 50c.

GAILLARDIA GRANDIFLORA. (D) June to Oct. The center of the flower is a dark red-brown, while the petals are vigorously marked with rings of brilliant scarlet crimson, orange and vermillion, and often a combination of all these colors in one flower. Thrifty plants, 15c; large size, 25c; clumps, 50c.

HELIOPSIS PITCHERIANUS. (M) June to Oct. A desirable variety. The flowers are of a beautiful, deep golden-yellow color, about two inches in diameter. Field grown, 10c; large plants, 20c; clumps, 35c to 50c.

DOUBLE HOLLYHOCKS Their flowers are large, fully double, handsome in form and lively shades of color. Double White, Pink, Crimson, and Yellow mixed. Thrifty plants, 20c; large size, 35c; clumps, 50c.

SINGLE HOLLYHOCKS These handsome and showy plants are great favorites. Their unique growth gives them a welcome everywhere. Single, White, Pink, Crimson, Mixed colors. Thrifty plants, 20c; large size, 35c; clumps, 50c.

IBERIS GILBALTARICA. April to June. White flowers, fine for edging. 25c.

LILY-OF-THE-VALLEY (Convallaria) (D) May. White flowers. Thrifty plants, 10c; larger, 20c; clumps, 35c to 50c.

Hardy Ornamental Grasses

EULALIA GRACILLIMA. This grand variety of Eulalia forms exceedingly handsome clumps 4 to 5 feet high, which are hardy in all parts of the country. The graceful narrow foliage is beautiful shining green with midrib of silvery white. Large size, 15c; clumps, 35c; extra heavy clumps, 50c to \$1.00.

JAPONICA. One of the most beautiful of the tall-growing grasses. Bright green foliage and unusually long plumes. Large size, 15c; clumps, 35c; extra heavy clumps, 50c to \$1.00.

JAPONICA VARIEGATA. Standard old sort of distinctive value. Blades striped lengthwise in handsome manner, being a combination of creamy white in the center with broad margin of bright green. Large size, 25c; clumps, 50c; extra heavy clumps, 75c to \$1.00.

JAPONICA ZEBRINA. This fine ornamental grass is the finest of Eulalias for single lawn specimens or clumping. Grows 4 to 6 feet high. The leaf blades are deep green, distinctly striped crosswise with large bars of pure white. Large size, 25c; clumps, 50c; extra heavy clumps, 75c to \$1.00.

PHALARIS ARUNDINACEA VARIEGATA. (Ribbon Grass) An excellent variety, very desirable for bordering large beds of other ornamental grasses. Field grown, 10c; large size, 15c; clumps, 25c.

Prices in Quantities Six plants of any one variety listed above will be supplied at five times the single rate price. Twelve plants at ten times the single rate price.

No other flowers will give such an attractive display of blossoms and supply of cut flowers. Once planted practically take care of themselves. Plant now.

WAGNER PARK NURSERIES, SIDNEY, OHIO

WAGNER PARK MALLOWS *Indescribably Beautiful Flowers*

Are absolutely hardy, and are thriving in Canada, in the mountain portions of the Northern States as successfully as in the South. They surpass all other perennials in profusion of bloom, flowering propensities and brilliancy of color. From late June until October arrives, the flowers continue to appear in great profusion. They will grow and bloom in any soil, but do best in a rich, moist soil. They like plenty of water, but should not be planted in a swamp where water will stand around the roots. The flowers are of immense size, often measuring eight to ten inches across. Colors are Crimson, Red

Rose, Pink and White. We offer separate colors but we highly recommend the mixed colors. They are hardy and will thrive from Maine to California, from Canada to the far South. In planting Mallows, see that the hole is made large enough to permit the spreading of the many large roots. Press the soil firm and when hard freezing begins mulch with leaves or other material, as straw manure, etc. Do this especially the first season for the freezing and thawing sometimes experienced might otherwise lift the plants. After once established one need not necessarily do this, yet a mulch is always beneficial.

Prices of Mallows

CRIMSON MALLOWS. Most beautiful flower of all. Nothing more gorgeous in color. Large plants, 75c; extra large, \$1.00; clumps \$1.50 each.

RED AND ROSE SHADES. This lot includes all choice bright shades. Large size, 35c; \$3.50 per dozen; extra large, 50c; clumps, 75c.

PINK MALLOWS. Most delicate shades of pink found among these. Large size, 20c; \$2.00 per dozen; extra large 35c, \$3.50 per dozen; clumps, 50c; \$5.00 per dozen.

WHITE MALLOWS. Center of blossoms a rich crimson, making a fine contrast. Large size, 35c; extra large, 50c; clumps, 75c.

CRIMSON MALLOW SEEDLINGS. These plants are grown from seed collected from the choicest crimson flowering plants, and most of these plants will prove to be beautiful crimson and red shades. Thrifty plants, 15c, \$1.50 per dozen; larger size, 25c to 35c each.

MALLOWS MIXED COLORS. This collection includes a great variety of colors from pure white and pink to red and scarlet shades. Every plant will bloom and give satisfaction. Thrifty plants, 10c, 75c per dozen, \$3.00 per hundred; larger size, 20c, \$1.50 per dozen, \$10.00 per 100; clumps, 35c, \$3.00 per dozen; extra heavy clumps, 50c, \$5.00 per dozen.

Plant hardy flowers and you will have gardens that will be artistic, interesting and beautiful from early spring until late in the fall.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Hardy Day Lillies (Hemerocallis)

One of the most beautiful and popular of our garden perennials. The foliage is narrow, and remarkably free from insect enemies. These plants are so hardy that they need no protection over winter, even in the severest climates. They possess a constitution equal to that of Golden Glow. The flowers resemble the famous Easter Lillies. The blossoms are excellent for cutting, lasting a long while and the most backward buds will open when in water.

The culture of these plants is very simple as they thrive in almost any kind of soil, but the most luxuriant growth and profusion of blossoms may be had when planted in a shady, moist location. Our stock of Hemerocallis is field grown and can be depended upon to be the truest grown. Certainly no perennial is more worthy of cultivation and none more satisfactory. For massing or planting in the hardy border with other varieties of plants or shrubs it is unrivaled.

APRICOT. (D) A splendid new hybrid. Flowers are a rich apricot shade. Field grown, 10c; large size, 25c; clumps, 50c.

DISTICHA FL. PL. (M) A late blooming variety. Flowers are double, orange yellow shaded copper. Field grown, 35c; large size, 50c; clumps, 75c.

DUMORTIERI. (D) A dwarf growing variety and of the earliest to bloom. Flowers a rich candidum yellow, reverse of petals bronze orange. Field grown, 15c; large size, 30c; clumps, 50c.

FULVA. (M) A commonly known variety of easiest culture. Flowers bronzy orange color. Field grown, 10c; large size, 20c; extra heavy clumps, 35c.

FLORHAM. (M) Splendid new large flowering sort, bright yellow flowers. Field grown, 35c; large size, 50c; clumps, 75c.

GOLD DUST. (D) Flowers bright Indian-yellow buds and reverse of petals bronzy gold. One of the choicest varieties. Field grown, 15c; large size, 30c; clumps, 50c.

KWAMSO FLORE PLENO. (T) Foliage is broad and of a good color. Blossoms on long, stiff stems and of orange-yellow color. Field grown, 20c; large size, 30c; clumps, 50c.

LUTEOLA. (M) The long-tubed half reflexed, bright yellow flowers are borne on tall branching stems, each flower very large. Field grown, 10c; large size, 25c; clumps, 50c.

LUTEA MAJOR. (M) Golden yellow flowers on very long stems. Very free flowering. Field grown, 25c; large size, 35c; clumps, 50c.

MIDDENDORFII. (M) A native of Siberia and Japan. Blossoms are golden yellow and are fragrant. Field grown, 35c; large size, 50c; clumps, 75c.

SEIBOLDI. (M) Earliest to bloom. Deep orange-yellow. Field grown, 20c; large size, 30c; clumps, 50c.

THUNBERGII. (D) Blossoms are pure yellow and sweet scented and produced on long stems. Blooms freely. Field grown, 15c; large size, 25c; clumps, 50c.

Other Hardy Perennials

PAPAYER ORIENTALE. (Poppy) Nothing can equal these in gorgeous effect and whether planted singly or in masses, their large flowers of a rich, brilliant color and their freedom of bloom render them conspicuous in any position. Undoubtedly the most showy and effective plants grown. Our stock is carefully selected and you can be assured of having something very fine when purchasing from us. Field grown, 35c; clumps, 50c.

PLATYCODON GRANDIFLORA. (Japanese Bellflower) (M) June to Oct. Cupped star-shaped blue and white flowers. Thrifty plants, 20c; large size, 30c; clumps, 50c.

PYRETHRUM HYBRIDUM. (D) June to Sept. Color ranges from pure white and various shades of pink and red to deep purple. Thrifty plants, 20c; large size, 50c.

ULIGNOSUM. (Giant Daisy) (T) July to Sept. White daisy-like flowers. Large size, 35c; clumps, 50c.

PARDANTHUS BLACKBERRY LILY. (Sinensis) Lily-like flowers of bright orange, followed with seeds resembling blackberries. Field grown, 10c; large size, 20c; clumps, 35c.

PENTSTEMON SMALLI. (D) July, Aug. Rosy carmine flowers. Field grown, 15c; larger, 35c; clumps, 50c.

PUBESCENS. (D) June to Aug. Bright rosy purple flowers. Field grown, 15c; larger, 35c; clumps, 50c.

PERIWINKLE HARDY MYRTLE. For covering bare ground where grass will not grow, it is indispensable. Thrifty plants, 10c, \$5.00 per 100; large size, 20c; clumps, 35c.

Quantity Prices Six plants of any one variety at five times the single rate price. Twelve plants at ten times single rate price.

Hemerocallis

Plant Peonies now if you want best results. Do not make a mistake by delaying the planting. The earlier it is done the better the result.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Wagner Park Double Peonies

Wagner Park Peonies are the most beautiful of all the Hardy Perennial plants, and should be in every garden, large or small, in bed borders, shrubberies or drives; in park, grass or woodland. They should, therefore, be planted near at hand for close enjoyment of their beauty, as well as in masses for distant color effect.

ACHILLES. Light flesh pink. Strong roots, 75c; large size, \$1.00; clumps, \$2.00.

AGATHA. Brilliant violet rose. Tall, very fine. Strong roots, \$1.00.

AGIDA. Dark, rich red. Strong roots, 50c; large size, \$1.00.

AMERICAN BEAUTY. Deep pink. Strong roots, 50c; large size, 75c; clumps, \$1.00.

CHARLEMAGNE. Lilac white, slight blush centers. One of the best. Strong roots, 75c; large size, \$1.25; clumps, \$2.50.

CLARISSA. Rose pink. One of the finest flowering varieties we grow. Strong roots, 50c; large size, 75c; clumps, \$1.50.

COMPTE DE PARIS. Rose color with salmon center, a variety that will always give satisfaction. Strong roots, 50c; large size, 75c; clumps, \$1.50 each.

COUNTESS SARAH. Rose washed with white petaloids, silver pink like Chrysanthemums. Strong roots, \$1.00.

COURONNE DE OR. Snow white, yellow reflex. Very large stripes of carmine, extra fine. Strong roots, 75c.

DORTON'S COROS. Beautiful bright pink, a showy and free flowering variety and of a solid color. A very satisfactory peony. Strong roots, 50c; large size, 75c; clumps, \$1.50.

FORMOSA ROSEA. Guard petals light rose, petaloids of silvery rose. Strong roots, \$1.00, large size; \$1.75.

GOLDEN HARVEST. Pale pink to peach blossom pink, white crown. Strong roots, 75c; large size, \$1.25; clumps, \$2.50.

GRANDIFLORA SUPERBA. Dark pink center light rose. Very showy. Strong roots, 75c; large size, \$1.25.

HERCARTIAN. Guard petals deep rose, with incurved petaloids of silvery rose. Strong roots, 75c; large size, \$1.25.

LADY BRAMWELL. Silvery rose; a very delicate variety and will thrive in most ordinary garden soil. Strong roots, 40c; large size, 75c; clumps, \$1.00.

LAMARTINE. Soft rose. Fragrant and free bloomer. Strong roots, \$1.50.

LADY MURIEL. Pale pink, double. Beautiful variety. Strong roots, \$2.00.

L'ESPERENCE. Rose pink, early, fragrant. Strong roots, 50c; large size, \$1.00.

LIBERTY. (Our own introduction.) A variety of rather dwarf growth but compact habit with smaller foliage than most Peonies. The flowers are peculiarly formed having very broad outside petals which are of a delicate flesh pink color. The inner petals are narrow but closely formed and compact resembling a Chrysanthemum and of the same delicate pink shade. The variations in the width and shape of the petals make this variety one of distinction and merit. Strong roots, 75c; each; large size, \$1.50; clumps, \$3.00.

MME. EMILE CALLE. One of the most tall and handsome and really beautiful of all Peonies. Delicate sea-shell pink without shadings. Extra fine. Strong roots, \$1.50.

MME. LEBON. Showy pink to aniline red. Very compact, strong growth, late flower. Strong roots, \$1.00.

MARIE LEMOINE. Delicate flesh; a very free flowering variety and one that may be depended upon. Strong roots, 50c; large size, \$1.00; clumps, \$2.00.

MARY ELIZABETH. Color fine blush white. Creamy white center. Strong roots, \$1.00; large size, \$1.75.

MEISSONIER. Medium size, bomb shape, developing a crown with age. Reddish-purple, uniform color, fragrant. Free bloomer, midseason. Strong roots, \$1.00; large size, \$2.00; clumps, \$3.50.

ODORATA. Guard petals deep rose, rosette center of lighter shade. Strong roots, 75c; large size, \$1.25.

REEVESII. Rosy flesh with red blotch on center petals; good size; blooms freely; long stems. Strong roots, \$1.50.

REINE DES FRANCOIS. Guard petals fleshy pink, petaloids creamy-white, with lavender tuft. Strong roots, \$1.00; large size, \$1.75.

SINGLE RED. Very showy. Strong roots, 75c; large size, \$1.00; clumps, \$2.00.

WAGNER PARK. A beautiful clear pink, of fine form. Strong roots, 75c; large size, \$1.25; clumps, \$2.50.

Our Three First Prize Peonies

These three varieties we consider the very best for general planting or cut flower purposes.

FIRST PRIZE PINK Beautiful pink, tips shading into silver shade; almost identical to a La France rose. Blossoms are extra large, long stems. Strong roots, 50c, \$5.00 per dozen; large size, 75c, \$8.00 per dozen; extra heavy clumps, \$2.00.

FIRST PRIZE RED In color this variety resembles the American Beauty rose, but surpasses it on account of its larger size and profusion of blossoms. Strong roots, 50c each, \$5.00 per dozen; large size, 75c, \$8.00 per dozen; extra heavy clumps, \$2.00 each.

FIRST PRIZE WHITE Large pure white with a very few pink markings in the center. Fine for general cultivation. Strong roots, 75c; large size, \$1.00; extra heavy clumps, \$3.00 each.

SPECIAL OFFER THREE PRIZE PEONIES, one of each color. Strong roots, \$1.50; large size, \$2.00; extra heavy clumps, \$6.00.

Prices in Quantities Six plants of any one variety at five times the single rate price. Twelve plants of any one variety at ten times the single rate price.

The charm of the garden rests in constant change and variety, which can be better secured with hardy plants than with any other. Plant hardy flowers.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Wagner's Hardy Phlox

Do not overlook these in your collection of plants. Certainly no perennial is more worthy of cultivation, more satisfactory in every situation or more effective either as individual plants or grouped in masses in the hardy borders. The plants begin to flower in early summer and the garden borders can be kept aflame with great flower cones from June until frost. Our small, thrifty plants will produce surprisingly good results.

- BRIDESMAID.** (M) Pure white, crimson center. Field grown, 35c; clumps, 50c.
- CHAMPS ELYSEE.** Rich deep purplish crimson dwarf. Field grown, 35c; clumps, 50c.
- HEROINE.** A variety producing flowers of odd color which is a light violet blue. Field grown, 30c; extra large, 50c.
- ISABELL DUPUY.** (M) Rose, red center. One of the best pinks; very bright, excellent for backgrounds. Field grown, 35c; clumps, 50c.
- LOTHAIR.** A grand showy variety producing bright red with carmine eye flowers in large trusses. Field grown, 30c; extra large, 50c.
- LA VAGUE.** Beautiful bright pink, early flowering, of dwarf habit. Fine for solid beds. Field grown, 40c; extra large, 75c.
- MISS LINGUARD.** (M) Flowers in early spring and continues through out the whole season. Color white with light lilac center. Field grown, 35c; clumps, 50c each.
- MRS. JENKINS.** (M) Absolutely snow-white. Field grown, 35c; clumps, 50c.
- PINK BEAUTY.** (M) Very fine pale pink of enormous size. Field grown, 35c; clumps, 50c.

- RHYNSTROM.** Fine for massing. Color a beautiful deep rose pink. Field grown, 35c; extra large, 50c.
- RICHARD WALLACE.** An exceptionally good grower. Flowers white with large carmine eye. Field grown, 30c; extra large, 50c.
- SUNSET.** (M) Beautiful deep pink, and will without doubt supercede all others of this color; excellent for massing or in solid beds. 50c.
- WAGNER PARK EVERBLOOMING.** Beautiful bright pink, one of the earliest to flower, if old flowers are kept cut off, it will bloom more or less the entire season. Field grown, 50c; clumps, 75c.

PHLOX SUBULATA (Moss or Mountain Pink) Pretty moss-like evergreen foliage. Low creeping.

ALBA. Pure white. Thrifty plants, 15c; large size, 25c; clumps, 35c.

ROSEA. Pinkish-purple, dark center. Thrifty plants, 10c; large size, 20c; clumps, 35c.

WAGNER'S SPECIAL PHLOX OFFER

No. 50. The collection consists of a choice lot of plants selected for their superior quality, color and size of flower clusters. They surpass many of the named varieties in size of flower and truss. Color ranges from delicate flesh to bright pink, reds and other beautiful shades. Field grown, 25c; clumps, 35c to 50c.

Other Hardy Perennials

- RUDBECKIA GOLDEN GLOW.** (T) Aug. and September. Large, double, yellow Dahlia-like flowers. Field grown, 10c; large size, 25c; clumps, 35c to 50c.
- NEWMANI.** Dark orange-yellow flowers, with deep purple cone, July to Sept. Thrifty plants, 10c; large size, 35c; clumps, 50c.
- PURPUREA.** An entirely distinct variety. The flowers are reddish-purple with large, cone-shaped center in brown. Thrifty plants, 20c; large size, 35c; clumps, 50c to 75c.

SEDUM SPECTABILIS. (D) In formal work it is indispensable as it grows compact and bushy. Flowers, rose colored and cover entire top of plant. Field grown, 25c; large size, 35c; clumps, 50c to 75c.

MAGENTA. (D) Good strong growth and foliage. Flowers almost white, having a pink tinge. Large size, 15c; clumps, 25c.

TANACETUM VUL-GARE (Tansy) (M) Golden-yellow flowers. Large plants, 25c; clumps, 50c.

TRADESCANTIA

VIRGINIANA. (D) May to Sept. Violet-blue flowers. Large plants, 30c; clumps, 50c.

TRITOMA

PFITZERI. (D) Color rich orange-scarlet. Large plants, 35c; clumps, 50c to 75c.

HYBRIDA. (D) Exceptionally good grower. Color, orange-scarlet. Strong plants, 10c; large size, 25c.

VERONICA

MARITIMA. (D) Sept. Spikes of blue flowers. Large plants, 35c; clumps, 50c.

RUPESTRIS. (D) May. Deep blue flowers. Large plants, 35c; clumps, 50c.

VIOLET LA FRANCE Single flowers. light purple. 20c; clumps, 35c.

PRICES IN QUANTITIES

Six plants of any one variety listed above will be supplied at five times the single rate price. Twelve plants at ten times the single rate price.

YUCCAS (Filamentosa)

(HERE ILLUSTRATED)
Hardy Flowering Evergreen
Plants of Great Beauty

The Yucca Plant is so unusual and so strikingly effective, either when planted alone or in combination with other evergreens, that it attracts attention on the humblest lawn, and is worthy of a place in the most pretentious garden.

Prices of our Yuccas in the various sizes we can supply

	Each	Per Doz.
Thrifty plants	\$.10	\$ 1.00
Large size plants	.20	2.00
Heavy plants	.35	3.50

Specimen clumps	1.00	10.00

Yuccas

Don't wait till spring to plant and thereby lose an entire year's growth. Get started this fall—plant now and enjoy their beauty next year.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Hardy Flowering Shrubs

Through the hot, dry period of summer, the coolness and rest of a fine shrub plantation is indescribably refreshing. The cultural requirements of ordinary shrubs are very simple. "Success with Shrubs," when the plants are vigorous Wagner Park stock, is easy, pleasurable, and sure. All Wagner Park Shrubs have been transplanted and are in robust health and condition.

Shrubs always have hard wood like the branches of a tree, and this wood does not die during the winter, except in a few of the more tender varieties which branches should be cut off as soon as the live branches begin to sprout in the spring.

PRUNING SHRUBS. In pruning shrubs they should be allowed to take their natural and perfect form, and when branches become old and weak they should be cut away from the outside, thus thinning out and allowing the new shoots to grow and take their place. The practice of shearing the ends of branches only without thinning out any of the inside branches cannot be too severely condemned, for it not only gives them an unnatural form in which there is little or no beauty, but also causes an increase in the number of small imperfect shoots on the end of the branches, and resulting in a very imperfect growth that produces very few flowers. Pruning should be done right after the flowering season, especially with the early flowering sorts such as the Lilac (*Syringas*), Snowball (*Viburnum*), Cydonias, Forsythia (Golden Bell), etc., are best pruned in the spring before new growth starts, this will insure good strong branches and large flowers. Dead branches and irregular or straggly growth may be cut away at any time.

ABBREVIATIONS AND PLANTING INSTRUCTIONS. (I) (II) (III) immediately following the name of each variety indicate the height of plants when fully matured. (I) indicates varieties growing from 1 to 3 feet; plant from 1½ to 3 feet apart. (II) indicates height from 3 to 8 feet; plant these varieties from 3 to 5 feet apart. (III) indicates height from 8 to 12 feet; plant from 5 to 8 feet apart. There are no set rules as to distance for planting as some prefer heavy mass effects which require close planting, while more open effects require planting farther apart. We have given both extremes yet one need not follow these exactly.

SPECIAL NOTE. M. L. X. S., indicate size of stock offered. "M" indicates thrifty well rooted young plants. "L" indicates large size plants "X" indicates extra large select plants. "S" indicates specimens.

Special Shrub Offer---20 Plants \$5.00

FREE If desired, will furnish plan showing various arrangements for planting this collection.

As an example of the superb values offered by the Wagner Park Nurseries, nothing could be more convincing than a collection of choice hardy flowering shrubs that will make a beautiful setting for your home for years to come. These are especially suitable for foundation planting, for grouping or a border planting.

Of Large Size Plants, 7.50

Of Extra Large Size Plants, 10.00

ALTHEA (Rose of Sharon) Handsome late summer blooming shrubs, coming into bloom when few shrubs are in flower. As a hedge they are very valuable.

BICOLOR HYBRIDUS. Double white; fine large flower. M, 35c; L, 50c.

BOULE DE FEU. Large violet-red flowers. M, 35c; L, 50c; X, 75c.

ELEGANTISSIMA PLENA. Double white, shaded with rose. M, 35c; L, 50c; X, 75c.

GRANDIFLORA. A very fine dark red variety. M, 35c; L, 50c; X, 75c.

JEANNE D'ARC. Double, pure white; one of the finest. M, 35c; L, 50c; X, 75c.

LADY STANLEY. Double blush-white flowers; one of the best. L, 50c; X, 75c.

PULCHERIANA. Double white, shaded to pink. L, 50c; X, 75c.

SPECIOSA PLENA. Fleshy-white. L, 50c; X, 75c.

MIXED COLORS. Altheas makes a most beautiful hedge. Their flowers are large and their freedom to bloom, time of flowering, etc., render them most valuable. A hedge or planting of mixed colors is indeed a grand sight. Nice thrifty plants, 10 to 15 inches high, 15c each, \$1.50 per dozen, \$10.00 per 100; M, 25c, \$2.50 per dozen, \$15.00 per 100; L, 35c, \$3.50 per dozen; X, 50c, \$5.00 per dozen.

Prices in Quantities Six plants of any one variety at five times the single rate price. Twelve plants at ten times the single rate price.

In the fall conditions for planting are just right; the sap not flowing, the vital processes suspended, providing thus for the season of reproduction.

WAGNER PARK NURSERIES, SIDNEY, OHIO

HARDY FLOWERING SHRUBS (Continued)

AMELANCHIER **BOTRYANUM.** (III) Beautiful shrub-like producing racemes of pure white flowers. L, 35c; X, 50c.

AMORPHA **FRAGRANS.** (I) A large, spreading bush with pinnate leaves and slender spikes of deep purple flowers; blooms in June. L, 35c; X, 50c; S, 6 ft., \$1.50.

BERBERIS **THUNBERGII.** (Japanese Barberry) (II) May. In autumn it is aglow with scarlet leaves and berries. Thrifty plants, 25c, \$2.50 per dozen, \$15.00 per 100; M, 35c; L, 50c; X, 75c.

BUDDLEIA **VARIABILIS.** (Butterfly Bush) (II) September. Flowers lilac color. Very desirable owing to its lateness in flowering. Nice young plants, 35c; X, 50c to 75c each.

CALYCANTHUS **FLORIDUS.** (II) Double chocolate colored flowers. L, 50c; X, 75c.

CEPHALANTHUS **OCCIDENTALLIS.** (III) July. Curious balls of blossoms on long stems. Fine for heavy background. L, 50c; X, 75c.

CORNUS (Dogwood) **ALTERNIFOLIA.** (III) It has clustered white flowers, dark blue fruits, and its irregular whorled branches form flat, spreading tiers. M, 30c; L, 40c; X, 60c; S, 7 to 8 ft., \$3.50 to \$5.00.

SANGUINEA. (II) A shrub of spreading habit; purplish-red branches, flowers greenish white, followed by black berries. Desirable for massing. M, 30c; L, 40c; X, 60c.

SIBERICA. (III) This has deep crimson bark and should be used in large groups for its winter effect. It shows off best when there are a number of plants together. Abundant small white blossoms are borne in early summer. Followed by white fruit. M, 30c; L, 40c; X, 60c; S, 8 ft., \$5.00.

STOLONIFERA **AUREA.** (Golden-barked Dogwood) Bright yellow bark in winter. Very effective when planted with red-barked varieties. L, 50c; X, 75c.

STOLONIFERA. (III) Valued for its colored bark. Small white flowers. M, 30c; L, 45c; X, 60c.

CYDONIA **JAPONICA.** (Pyrus) (Fire Bush) (III) One of the early spring flowering shrubs, the fiery blossoms pink to crimson, creating a grand display. M, 35c; L, 50c; X, 75c.

DEUTZIA **CANDIDISSIMA.** (III) Strong growth. Double white flowers. M, 30c; L, 40c; X, 60c.

CRENATA. (III) Double rosette shape, white, tinged pink. M, 30c; L, 40c; X, 60c; S, 6 ft., \$2.50.

GRACILIS. (I) Forms a round, dense bush. Snow white flowers of much beauty; good for shady places. M, 35c; L, 50c; X, 75c.

LEMOINEI. (I) Flower pure white. M, 35c; L, 50c; X, 75c.

PRIDE OF ROCHESTER. (III) Double white, tinged with pink. M, 25c; L, 35c; X, 50c; S, 6 ft., \$1.00.

SCABRA. (III) Flowers white, tinged pink. M, 30c; L, 40c; X, 60c.

WATERERI. (I) Flowers delicate pink. A most beautiful variety. M, 30c; L, 40c; X, 60c.

WELLSI. (II) Double white flowers, one of the best. M, 35c; L, 50c.

ELEAGNUS **AUGUSTIFOLIA.** (Oleaster) (III) A large shrub, sometimes of tree form, with long, narrow, silvery-green foliage. The flowers are yellow, followed by yellow fruit. M, 35c; L, 50c; X, 75c.

FORSYTHEA (Golden Bell) **FORTUNEI.** (Fortune's Forsythia) (III) April. A spreading bush with dark shining foliage, which has a purplish tint in autumn. Deep yellow flowers. The best of the Forsythias. M, 35c; L, 50c; X, 75c.

INTERMEDIA. (III) A tall, upright growing form. Good for shrub-border planting. Deep yellow flowers and fragrant. M, 30c; L, 40c; X, 60c.

VRIDISSIMA. (Dark Green Forsythia) Shrub-like in growth, dark, rich foliage, yellow flowers and a very profuse bloomer. M, 35c; L, 50c; X, 60c.

HYDRANGEA **GRANDIFLORA ALBA.** (II) Large clusters of white flowers. Nice young plants, 50c; larger, 75c; extra large, \$1.00.

PANICULATA GRANDIFLORA. (II) July, August. Flowers white changing to pink and borne in immense pyramidal clusters. Will bloom same season planted. M, 50c; L, 75c; X, \$1.00 each.

HYDRANGEA, TREE FORM. We have very fine stock of this popular shrub grown in tree form. \$2.00 to \$2.50 each.

HYPERICUM **AUREUM.** (II) Abundant yellow flowers all summer. Strong grower. M, 35c; L, 50c; X, 75c.

KERRIA **JAPONICA.** (II) Single yellow flowers. 75c.

LONICERA (Bush Honeysuckle) **GRANDIFLORA ROSEA.** (III) Pink blossoms. M, 35c; L, 50c; X, 75c.

LEDEBOURI. (II) May. Creamy, yellow flowers, fine. M, 35c; L, 50c; X, 75c.

MORROWI. (II) May. White flowers, dark green foliage, red fruit. M, 35c; L, 50c; X, 75c.

TARTARICA. (Bush Honeysuckle) May. Pink flowers, orange-red berries. M, 35c; L, 50c; X, 75c.

TARTARICA ALBA. (White Tartarian Honeysuckle) (III) May. Has white flowers, bright berries. M, 35c; L, 50c; X, 75c.

PHILADELPHUS **MOCK ORANGE.** How deliciously fragrant are the spring blossoms of the Mock Orange. To many they bring pleasant thoughts of the coming flowers.

CORDIFOLIA. (II) Single white flowers; large foliage. M, 35c; L, 50c; X, 75c.

Philadelphus (Syringa)

CORONARIUS. (Sweet Mock Orange) (III) The real old-fashioned form, white blossoms, yellow stamens. M, 35c; L, 50c; X, 75c.

FALCONERI. (II) Graceful shrub, white flowers. M, 35c; L, 50c; X, 75c.

GRANDIFLORUS. (III) Most vigorous grower and produces unusually large flowers, which are pure white. M, 25c; L, 35c; X, 50c; S, \$1.00.

LEMOINEI ERECTA. (II) Creamy-white, fragrant. L, 50c; X, 75c; S, 4 to 5 ft., \$1.00; 6 ft., \$2.00.

NIVALIS. (II) An excellent variety in every way, good growth and free flowering. M, 35c; L, 50c; X, 75c and \$1.00.

SPECIOSA. (III) Showy white flowers. A tall grower and one which will give satisfaction wherever planted. M, 25c; L, 35c; X, 50c; S, \$1.00.

RHAMNUS **CATHARTICA.** Well known hedge plant, valued for extreme hardiness and strong growth. M, 25c; L, 35c; X, 50c.

RHODOTYPHUS **KERRIODES.** (White Kerria) (II) A handsome shrub with good foliage and snow-white flowers the latter part of May, followed by black berries. A profuse bloomer. L, 50c; X, 75c.

RHUS **CHIONANTHUS VIRGINICA.** (White Fringe) (III) White flowers. M, 35c; L, 50c; X, 75c.

GLABRA. (Smooth Sumac) (III) Leaves color brightly in autumn. Flowers followed by fruit. L, 35c; X, 50c.

TYPHINA LACINIATA. (Fern-leaved Sumac) (III) Brilliant foliage. Crimson fruit. M, 35c; L, 50c; X, 75c.

ROSA **RUGOSA.** The hardest of all roses. They are eminently suitable for rose hedges or to be used same as shrubs. M, 50c; L, 75c to \$1.00 each.

SAMBUCUS **CANADENSIS.** (White Elder) (III) Attractive flowers followed by clusters of purple berries. M, 25c; L, 35c; X, 50c.

NIGRA AUREA. (III) Beautiful foliage of yellowish color. M, 35c; L, 50c; X, 75c.

LACINIATA. (III) Very valuable on account of its deeply cut foliage. M, 35c; L, 50c; X, 75c.

Prices in Quantities Six plants of any one variety listed above will be supplied at five times the single rate price. Twelve plants at ten times the single rate price.

Do your planting as early in the fall as possible and an abundance of blossoms may be looked for beginning with the early spring months.

WAGNER PARK NURSERIES, SIDNEY, OHIO

HARDY FLOWERING SHRUBS

(Continued)

SPIREAS This is one of the largest groups of flowering shrubs and it is rarely that a group is planned without including some of its widely differing forms.

ANTHONY WATERER. (I) May to September. Heads of crimson flowers. M, 35c; L, 50c; X, 75c.

BILLARDI. (L) A strong grower, panicles of bright pink flowers in July and August. L, 30c; X, 50c; S, 75c.

BUMALDA. (I) May to September. Rose colored flowers. M, 35c; L, 50c.

CALLOSA ALBA. Soft, white form; blooms all summer. Dwarf. M, 35c; L, 50c; X, 75c.

CALLOSA FROBELI. (I) June to September. Flowers dark, violet-red. M, 25c; L, 40c; X, 65c.

CALLOSA ROSEA. (II) Rose colored flowers. M, 35c; L, 50c.

FONTENAYII ROSEA. (II) June, July. Upright branches, pink flowers. M, 35c; L, 40c; X, 60c.

FONTANEYII ALBA. (II) White flowers. M, 35c; L, 50c; X, 75c.

MARGUERITE. (I) Rose colored flowers. M, 35c; L, 50c; X, 75c.

OPULIFOLIA. (III) Strong grower, green foliage. White flowers. L, 35c; X, 50c.

OPULIFOLIA AUREA (Golden Leaved) (III) Yellow tinted foliage and white flowers. M, 30c; L, 40c; X, 60c; 6 ft., 75c to \$1.00.

REEVESIANA. (II) May. A slightly drooping shrub covered in May with clusters of white flowers almost covering branches. M, 30c., L, 50c; X, 75c.

SALICIFOLIA ALBA. (II) June to September. Pure white flowers. M, 25c; L, 35c; X, 50c.

SEMPERFLORENS. (I) Red flowers in corymbs. L, 35c; X, 50c.

THUNBERGII. (I) Fluffy masses of white flowers, fine foliage. L, 50c; X, 75c.

VAN HOUTTEI. (II) The most beautiful of the Spirea. We recall no shrub that exceeds this in the graceful elm-like quality. The graceful branches, weighed down with a wealth of white blossoms, curve till they nearly touch the ground. It comes into bloom just before Decoration Day. M, 25c; L, 35c; X, 50c to 75c; Specimens, \$1.00 each.

A planting of Spirea Van Houttei

SYRINGA LILAC. (III) These old-fashioned shrubs are always popular. No matter how small the garden, everyone wants lilacs.

MADAME ABEL CHATENAY. Large panicles, double white. L, \$1.00; X, \$1.50 to \$2.00.

MME. LEMOINE. Another fine double white variety. L, \$1.00; X, \$1.50 to \$2.00.

PERSICA RUBRA. Native of Persia. Bright purple flowers. L, \$1.00; X, \$1.50 to \$2.00.

PRES. GREVY. Large panicles of blue flowers. One of the best. L, \$1.00; X, \$1.50 to \$2.00.

SANGUINEA. A fine red variety. L, \$1.00; X, \$1.50 to \$2.00.

SOUV. DE LUDWIG SPATH. The flowers and clusters are very large, fine and dark in color. L, \$1.00; X, \$1.50 to \$2.00.

VULGARIS. (Old-fashioned Lilac) The familiar species of all fine old gardens, with heart shaped leaves and dense panicles of lilac flowers in May, still the most fragrant of any. M, 50c; L, 75c; X, \$1.00 to \$1.50.

VULGARIS ALBA. (Old-fashioned White) An old standard and one that is always popular. M, 50c; L, 75c; X, \$1.00 to \$1.50.

SYMPHORICARPUS RUBRA. (I) A graceful shrub, with deep red berries clustered and crowded along its arching twigs. The branches take root, where they touch the ground and therefore are useful to hold steep banks and edge groups of tall shrubs. The only shrub to grow under large trees or in exceedingly dense shade and thrive. M, 20c; L, 35c; X, 50c.

RACEMOSUS. (II) Milk-white berries that contrast finely. M, 35c; L, 50c; X, 75c.

AFRICANA. (III) Tall-growing, irregular shrubs with feathery foliage and small delicate pink flowers. M, 25c; L, 35c; X, 50c.

HISPIDA AESTIVALIS. (III) July. Pink flowers. Its neat growth and blue-green foliage is very ornamental. M, 35c; L, 50c; X, 75c.

VIBURNUM An important group of shrubs. Members of the genus are conspicuous for the good qualities needed in landscape planting. They all have good healthy foliage.

OPULUS. (High Bush Cranberry) This handsome shrub has bright red fruits; are in some sections used as a substitute for the Cranberry. It has large, healthy leaves, and free from insect attacks. M, 40c; L, 60c; X, 75c to \$1.00.

V. PLICATUM. (Japan Snowball) (III) Large balls of flowers white as snow. M, 40c; L, 60c; X, 75c.

LANTANA. (III) White flowers, clusters of bright red fruit, changing to black. M, 40c; L, 60c; X, 75c to \$1.00.

STERILIS. (Common Snowball) (II) Flowers white, borne in clusters. M, 35c; L, 50c; X, 75c.

WEIGELAS Beautiful shrubs that bloom in June and July. The flowers are produced in so great profusion as to almost hide the foliage.

CANDIDA. (III) Flowers pure white, borne all through the summer months. One of the most free blooming of all Weigelas. M, 50c; L, 75c; X, \$1.00.

DESBOUSII. (II) Deep rose flowers in profusion. M, 35c; L, 50c; X, 75c.

EVA RATHKE. A very profuse bloomer and continues to produce its dark carmine-red flowers during the entire summer. M, 50c; L, 75c; X, \$1.00.

NANA VARIEGATA. (I) May. Pink flowers and variegated green and yellow foliage. M, 50c; L, 75c; X, \$1.00.

ROSEA. The flowers are rose colored, are produced in such profusion as to completely cover the bush. Flowers in May and June. M, 35c; L, 50c; X, 75c to \$1.00.

Prices in Quantities Six plants of any one variety listed above will be supplied at five times the single rate price. Twelve plants at ten times the single rate price.

With the professional grower the fall is the great preparatory season; the amateur who seeks "professional results" should take this fact seriously.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Ornamental Hedge Plants

In producing a truly pleasing and attractive landscape effect the selection of a fence has always been a serious problem. Something is needed to outline the lawn clearly, but what to use is often a perplexing question. A hedge will beautify the plainest kind of grounds and adds immeasurably to the lawn with a fence that nature provides. The wooden or iron fence is clumsy and contrasts rudely, while the hedge blends beautifully with the green lawn and surroundings.

LIGUSTRUM. (Privet) Amuerense. Hardy. Glossy green foliage and of upright growth. Hardy in all localities. Nice plants, \$2.50 per dozen, \$15.00 per 100; large size, \$3.50 per dozen, \$20.00 per 100; extra large size, \$5.00 per dozen, \$30.00 per 100.

IBOTA. (Chinese Privet) An unusually good hedge plant, very hardy and produces fragrant flowers. Nice plants, 18 to 24 inch, \$2.50 per dozen, \$15.00 per 100; large size, \$3.50 per dozen, \$17.50 per 100; extra large, \$4.00 per dozen, \$25.00 per 100.

OVALIFOLIUM. (California Privet) The most popular variety of all. Foliage is a beautiful dark glossy green and almost evergreen. In the northern states it sometimes freezes to the ground. Nice plants, \$1.50 per dozen, \$5.00 per 100; large size, \$2.00 per dozen, \$7.50 per 100; extra large size, \$2.50 per dozen, \$10.00 per 100.

REGELIANUM. (Regals Privet) Absolutely hardy, and is sufficiently dense for hedges without trimming. Branches gracefully drooping. Nice plants, \$3.50 per dozen, \$25.00 per 100; large size, \$5.00 per dozen, \$35.00 per 100; extra large size, \$7.50 per dozen, \$50.00 per 100.

SINENSIS NANA. (Southern Evergreen Privet) The most satisfactory for hedges for southern states where the foliage remains on all winter. Leaves are small and a beautiful green color. Nice plants, \$1.50 per dozen, \$7.50 per 100; large size, \$3.50 per dozen, \$15.00 per 100.

PRUNING AND CARE OF HEDGES. To secure a compact hedge and one of even growth, it is necessary when the plants are first set out to prune back quite severely to an even height. This will encourage strong bottom growth, and makes the foundation of a good hedge.

A flower garden surrounded by Privet Hedge with Climbing Roses on lattice in background.

Hardy Climbing Vines

AMPELOPSIS VEITCHII. (Boston Ivy) The leaves of this beautiful climber change in the fall to the most vivid autumnal tints. Thrifty plants, 25c; heavy plants, 35c; extra select plants, 50c to 75c.

ENGELMANNIA. A very desirable variety, small, dense foliage. Colors beautifully in fall. Large size, 35c; extra heavy, 50c.

QUINQUEFOLIA. (Virginia Creeper or Woodbine) Foliage assumes brilliant shades of yellow, crimson and scarlet in the fall. Large size, 35c; extra heavy, 50c.

BIGNONIA GRANDIFLORA. (Trumpet Creeper) Useful for covering unsightly places, stumps, rockwork, etc. Flowers orange-red color. Large plants, 50c; extra large, 75c.

CELASTRUS SCANDENS. (Bitter Sweet) Yellow flowers in June, followed with bright orange fruit. Large plants, 35c; extra large, 50c to 75c.

CLEMATIS PANICULATA. Most desirable and most popular vines grown and may be used with satisfactory results wherever a vine is needed. Glossy green foliage all season and a mass of small white fragrant flowers in August and September. Thrifty plants, 15c; large size, 35c; extra heavy, 50c; clumps, 75c to \$1.00 each.

VIRGINIANA. (American White Clematis) Small white flowers. Excellent for covering rough banks and bare places. Will grow in very poor soil. Field grown plants, 35c; extra large size, 50c.

LONICERA BRACHYPODA AUREA. (Japan Golden-leaved Honeysuckle) Yellow and green leaves. Valuable for covering banks, bare places, etc. Flowers creamy white. Plants, 25c, \$2.50 per dozen; large size, 35c, \$3.50 per dozen. Extra large, 50c each.

HALLIANA. (Hall's Japan Honeysuckle) Blooms constantly. Flowers white, changing to yellow; very fragrant. The best climber. 30c each. \$3.00 per dozen; large size, 50c, \$5.00 per dozen; extra heavy, 75c.

LYCIUM (Matrimony Vine) Numberless bright red berries in fall. 35c, \$3.50 per dozen; extra heavy, 50c.

VITIS AESTIVALIS. Strong climbing vine with large foliage and small black berries. 35c to 50c.

WISTERIA CHINENSIS. A most desirable vine which will thrive in almost any kind of soil or situation, and quite a rapid grower. Pendulous clusters of delicate violet-blue blossoms, richly perfumed. 50c; extra heavy, 75c to \$1.00 each. **ALBA.** Of similar habit to Sinensis, with white flowers. 50c each; extra heavy, 75c to \$1.00 each.

Evergreen Vines

ENGLISH IVY Dark, glossy green leaves and clings firmly to stone or brick walls. Thrives best in shady position and is hardy in all localities. Nice young plants, 25c; larger size, 35c; extra large, 50c.

EUONYMUS RADICANS. Beautiful bright green foliage. Nice young plants, 15c, \$1.50 per dozen; \$10.00 per 100; large size, 25c.

RADICANS VARIEGATED. A splendid evergreen creeping plant with pretty small foliage, beautifully variegated deep green and white. Can be kept closely clipped in same manner as box edging. Nice young plants, 15c each, \$1.50 per dozen, \$10.00 per 100; larger size, 25c.

HARDY CLIMBING SWEET PEAS This is one of the most desirable hardy climbing plants, attractive both in flower and foliage, producing clusters of large flowers the entire summer. As a porch climber or for covering fences, it is invaluable. It is perfectly hardy and will endure our severest winters. Fine mixed colors, red, white and pink. Nice thrifty field grown plants, 15c; 4 for 50c, \$1.50 per dozen; larger size, 25c, 5 for \$1.00, \$2.50 per dozen; extra large field clumps, 50c, \$5.00 per dozen.

HARDY ROSES

These Varieties May Be Planted in Fall With Success

HYBRID PERPETUAL BEDDING VARIETIES. F. K. Druschki, white; Gen. Jacqueminot, crimson; Paul Neyron, rose pink. Three most popular varieties. Three colors in extra large plants, \$1.00 each.

HARDY CLIMBING ROSES. Dorothy Perkins, pink; Excelsa, fiery red; White Dorothy, pure white. Large size plants, 75c each.

Follow the successful growers. "The man who knows" plants in the fall. Results are better; risk of loss is less. Order now.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Ornamental Shade Trees

Judicious planting of ornamental trees and shrubs enhances the value of real estate more than an equal amount of money invested in any other way.

In planting make the hole wide enough so that when the tree is set out, you can spread out the roots. Work the soil in carefully about the roots, leaving no cavities or air spaces, and pack the soil firmly.

SPECIAL NOTE—In addition to the regular sizes listed, we can supply extra choice specimens which price varies according to variety, size, compactness and shape. \$5.00 to \$25.00 each.

ACER (Maple) One of the most sturdy and desirable lawn trees. Avenues planted with them grow in grandeur each year thereafter. Our assortment and stock is fine.

CAMPESTRE. Leaves green, with small white spots. 4 to 5 ft., \$1.50; 6 to 8 ft., \$2.50.

DASYCARPUM. (Silver Maple) There is more foliage for the cost in this Maple than in any other tree. It is the best of the quick-growing trees for most soils and situations. 6 to 8 ft., \$1.00; 10 to 12 ft., \$2.00; fine specimens, \$5.00 to \$15.00 each.

NEGUNDO. (Ash-leaved Maple or Box Elder) A tall-growing tree. Retains its foliage until late. 8 to 10 ft., \$1.50; 10 to 12 ft., \$2.00; specimens, \$3.50 to \$5.00.

PLATANOIDES. (Norway Maple) Large deep green leaves. The best for general planting. 8 to 10 ft., \$2.00; 10 to 12 ft., \$2.50 to \$3.00; specimens, \$7.50 to \$15.00 each.

PSEUDO PLATANUS. (Sycamore leaved Maple) Foliage deep green on upper surface and purplish-red underneath. 8 to 10 ft., \$2.00; 10 to 12 ft., \$2.50.

REITENBACHI. A beautiful and striking variety because of its rich changing foliage. 8 to 10 ft., \$3.00; 10 to 12 ft., \$4.00.

RUBRUM. (Red or Scarlet Maple) Foliage scarlet in autumn. 4 to 6 ft., \$1.50 to \$2.00; 7 to 10 ft., \$3.00 to \$4.00 each.

SACCHARUM (Sugar Maple) Fine for shade on lawn or park plantings. 8 to 10 ft., \$2.50; 10 to 12 ft., \$3.00.

SCHWEDLERI. (Purple-leaved Maple) Leaves bright purplish crimson which changes to purplish-green. 6 to 8 ft., \$2.50; 8 to 10 ft., \$3.00; 10 to 12 ft., \$4.50 to \$5.00 each.

WIERI LACINIATUM. (Wier's Cut-leaved Maple) A very beautiful specimen tree, with delicately cut leaves and distinct half-drooping habit. 10 to 12 ft., \$2.50; heavy specimens, \$5.00 to \$15.00.

AESCULUS HIPPOCASTANUM. (Horse Chestnut) Double white flowered. 6 to 8 ft., \$2.00; 8 to 10 ft., \$2.50 to \$3.50;

ALNUS GLUTINOSA. (European or Common Alder) Foliage roundish, wedge-shaped, wavy. Remarkably quick in growth. 8 to 10 ft., \$1.50; 10 to 12 ft., \$2.50; 12 to 14 ft., \$3.50.

INCANA. (Gray colored Alder) 8 to 12 ft., \$2.00 to \$3.00.

ARALIA SPINOSA. (Hercules' Club) Broad, handsome cut leaves and huge clusters of small white flowers in July. Its winter effect is unique. 4 to 6 ft., 75c; 6 to 8 ft., \$1.00; 8 to 10 ft., \$2.00; 10 to 12 ft., \$3.00.

BETULA ALBA. (White Birch) Silvery-white bark. Droops a little. 6 to 8 ft., \$2.00 to \$2.50; 8 to 10 ft., \$3.00; heavy specimens, \$3.50 to \$5.00.

ALBA LACINATA PENDULA. (Weeping Cut Leaf Birch) Silvery-white bark, delicately cut foliage. Nice trees, \$2.00; large size, \$5.00.

CATALPA BUNGEI. (Umbrella Tree) Large heart shaped leaves; stems 6 to 8 ft. high. Makes a handsome standard tree; very dense, symmetrical head. 1 to 2 yr. heads, \$2.00 to \$2.50; specimens, \$3.00 to \$5.00 each.

SPECIOSA. One of the most rapid growing trees. Large panicles of white flowers. 6 to 8 ft., \$1.00; 8 to 10 ft., \$1.50; 10 to 12 ft., \$3.00; extra heavy specimens, \$4.00 to \$7.50.

CERASUS PADUS. (European Cheery) White flowers, black fruit. Heavy specimens, 10 to 12 ft., \$2.50.

CERSIS (Judas Tree) (Red Bud) Reddish-purple flowers. 4 to 5 ft., \$1.00.

CRATAEGUS OXYACANTHA. *Alba Flore Pleno*. (Double White Hawthorne) When in bloom a mass of clustered double, white blossoms. Famous May Thorn of English gardens. 5 to 6 ft., \$1.50 to \$2.00.

Specimen Acer (Maple)

EUONYMUS EUROPAEUS. Small tree, green foliage, turning to crimson in fall. Flowers followed by orange-scarlet fruits. 3 to 4 ft., 75c; 5 to 6 ft., \$1.00 to \$1.50.

FAGUS (Beech) **RIVERSI**. (River's Purple Beech) Leaves very dark purple. 4 to 6 ft., \$3.50 to \$5.00; 6 to 8 ft., specimens, \$6.00 to \$8.00.

SYLVATICA. (European Beech) Dense, dark green foliage. 3 to 5 ft., \$2.50 to \$3.00; 6 to 8 ft., \$4.00 to \$5.00.

FRAXINUS AMERICANA. (Ash) A rapid growing tree of fine proportions. 8 to 10 ft., \$2.00; 10 to 12 ft., \$3.00; extra large specimens, \$5.00 to \$7.50.

EXCELSIOR. A lofty tree with handsome foliage. 6 to 8 ft., \$1.50 to \$2.00; 12 to 14 ft., \$3.50 to \$5.00.

GYMNOCLADUS CANADENSIS. (Coffee Tree) Feathery foliage. 6 to 8 ft., \$1.00 to \$1.25; 10 to 12 ft., \$2.50 to \$3.00.

In the fall conditions for planting are just right; the sap not flowing, the vital processes suspended, providing thus for the season of reproduction.

WAGNER PARK NURSERIES, SIDNEY, OHIO

ORNAMENTAL SHADE TREES

(Continued)

JUGLANS SIEBOLDIANA. (Japanese Walnut) Hardy, very ornamental. 4 to 5 ft., \$2.00 to \$2.50; 6 to 8 ft., \$3.00 to \$4.00.

KOELREUTERIA PANICULATA. (Japanese Varnish Tree) Small tree, yellow flowers. 6 to 8 ft., \$2.50 to \$3.50.

LARIX EUROPEA. (Larch) A conifer with deciduous needle-like foliage. 5 to 7 ft., \$2.00 to \$2.50; 8 to 10 ft., \$3.00 to \$5.00.

LIQUIDAMBAR (Sweet Gum) Glossy green foliage changing to bright red. 7 to 8 ft., \$3.00 to \$4.00 each; 8 to 10 ft., \$5.00 to \$7.50.

LIRIODENDRON (Tulip Tree) Foliage, green; creamy yellow flowers. 6 to 8 ft., \$2.00; specimens, \$4.00 to \$6.00.

MORUS ALBA TARTARICA. (Russian Mulberry) Very hardy and low-growing type. 6 to 8 ft., \$2.00; 10 to 12 ft., \$2.50 to \$5.00.

PLATANUS OCCIDENTALIS. (American Plane) Massive and picturesque. Very effective in winter; almost as white as birch. 8 to 10 ft., \$2.00; 10 to 12 ft., \$3.00 to \$4.00; specimens, \$5.00 to \$7.50 each.

ORIENTALIS. (Oriente Plane) (Sycamore) Excellent trees for street and avenue planting. 8 to 10 ft., \$2.00; 10 to 12 ft., \$3.00 to \$4.00; specimens, \$5.00 to \$7.50 each.

POULUS ALBA BOLLEANA. Leaves, glossy green above, silvery beneath. 5 to 6 ft., \$1.00 to \$1.50; 8 to 10 ft., \$2.00 to \$3.00; specimens, \$4.00 to \$6.00.

MONILIFERA. (Carolina Poplar) Unexcelled for quick growth and silver-lined leaves; always casting a dense, cool shade. 4 to 5 ft., 50c; 6 to 8 ft., \$1.00; 10 to 12 ft., \$2.00; specimens, \$5.00 to \$7.50 each.

NIGRA, OR ITALICA. (Lombardy, or Italian Poplar) Of obelisk form, growing rapidly to a tall spire. A striking feature in any landscape. 6 to 8 ft., \$1.00; 8 to 10 ft., \$1.50; 10 to 12 ft., \$2.00; specimens, \$5.00 to \$7.50 each.

PTELEA TRIFOLIATA. (Hop Tree) (D) A round-headed, loosely branched tree with numerous clusters of light green fruit pods. Prefers a shaded position and moist soil. 4 to 6 ft., \$1.00 to \$2.50.

PYRUS AUGUSTIFOLIA. (Bechtel's Flowering Crab) Double rose-like flowers of a delicate pink color. 4 to 5 ft., \$2.50 to \$3.50; 6 to 8 ft., \$5.00 to \$7.50.

QUERCUS COCCINEA. (Scarlet Oak) Foliage purplish crimson in autumn. 6 to 8 ft., \$2.50 to \$3.00; 8 to 10 ft., \$3.50 to \$4.00; 10 to 12 ft., \$5.00 to \$7.00.

PALUSTRIS. (Pin Oak) The most beautiful of all oaks and most satisfactory for general planting. 6 to 8 ft., \$1.50 to \$2.00; 8 to 10 ft., \$2.50 to \$3.00; 10 to 12 ft., \$3.50 to \$4.00; specimens, \$7.50 to \$10.00.

ROBUR. (English Oak) Massive spreading nature. 6 to 8 ft., \$3.00 to \$4.00; 8 to 10 ft., \$5.00 to \$6.00.

RUBRA. (Red Oak) Foliage changes to bronze-red in autumn. 6 to 8 ft., \$3.00 to \$4.00; 8 to 10 ft., \$5.00 to \$7.00.

SALISBURIA ADIANTIFOLIA. (Ginkgo or Maiden Hair Tree) Fern-like foliage resembling Maiden Hair Fern. 8 to 10 ft., \$2.50.

SALIX BABYLONICA. (Weeping) Branches drooping gracefully. 6 to 8 ft., \$1.00; 8 to 10 ft., \$1.50 to \$2.00.

SORBUS AUCUPARIA. (European Mountain Ash) Orange-colored berries midsummer until frost. 8 to 10 ft., \$3.00 to \$4.00.

AUCUPARIA PENDULA. (Weeping Ash) Slender drooping branches, bright red berries. 2 to 3 yr. heads, \$2.50 to \$3.50.

SOPHORA JAPONICA. (Japan Pagoda Tree) Small leaves. Clusters of showy white flowers. 3 to 5 ft., \$1.50 to \$2.50.

JAPONICA PENDULA. (Weeping Sophora) Long, drooping branches. 5 to 6 ft., good heads, \$2.50 to \$3.50.

TAXODIUM (Deciduous Cypress) **DISTICHUM.** The famous Southern or Bald Cypress. Grows well on dry or wet soil. Pyramidal in shape. 4 to 6 ft., \$3.00; 6 to 8 ft., \$5.00; 8 to 10 ft., \$8.00 to \$10.00.

Ulmus (Elm)

The most satisfactory tree for general planting, lawns, avenues, or anywhere.

TILIA AMERICANA. Rapid growing and hardy, affording dense shade. 6 to 8 ft., \$2.00 to \$2.50; 10 to 12 ft., \$3.00 to \$4.00; heavy specimens, \$5.00 to \$10.00.

EUROPEAN. Fine symmetrical habit; glossy, deep green leaves. Fine for lawn. 6 to 8 ft., \$2.50 to \$3.00; 8 to 10 ft., \$3.50; heavy specimens, \$5.00 to \$10.00.

ULMUS AMERICANA. (Elm) No finer tree grown. Good for avenue or suburban planting. 6 to 8 ft., \$1.00; 8 to 10 ft., \$1.50; 10 to 12 ft., \$2.00; specimens, \$3.00 to \$15.00.

CAMPESTRIS. (English Elm) Desirable for lawn or landscape. 8 to 10 ft., \$2.00; 10 to 12 ft., \$2.50 to \$3.00; specimens, \$5.00 to \$7.50.

LATIFOLIA. Compact and upright in habit. 8 to 10 ft., \$2.00 to \$2.50; 10 to 12 ft., \$3.00 to \$3.50.

PLUMOSA PYRAMIDALIS. Pyramidal-growing Elm. Rare. 10 to 12 ft., \$3.50 to \$5.00; specimens, \$6.00 to \$10.00.

SCABRA PENDULA. (Camperdown Weeping Elm) A picturesque form. Fine heads on 5 to 7 ft. stems, \$2.50 to \$3.00; heavy specimens, \$15.00 to \$25.00 each.

Hardy Ornamental Evergreens---Conifers

Wagner Park Evergreens have been several times transplanted. They are shipped to you with ball of earth and an abundance of roots, carefully burlapped.

From out of thousands of specimens of all sizes and shapes that adorn the landscape at Wagner Park, there can easily be selected trees, bushes and shrubbery that will furnish the desired background for any home, park or public ground. The prices are altogether moderate. We list here only the choicest and most hardy varieties.

ABIES BALSAMEA. (Balsam Fir) An ornamental native of our forests that is very hardy; has dark green needles of pleasant fragrance; grows rapidly when young and does well in moist soils. 3 to 4 ft., \$3.50 to \$4.00.

CONCOLOR. (Colorado Silver Fir) 30 to 40 feet. A beautiful and graceful evergreen with soft, silvery-green foliage. Very symmetrical in form. 1½ to 2 ft., \$5.00 to \$6.00.

NORDMANNIANA. (Nordman's Fir) This massive Fir, from the Crimean Mountains, is of symmetrical form, vigorous and quite hardy. Its foliage is massive, dark green shining above and slightly glaucous below, rendering it a very handsome tree throughout the year, considered here and in Europe as one of the finest of Firs. 2 to 3 ft., \$4.00 to \$5.00.

PINUS AUSTRIACA. (Austrian Pine) A tall, massive tree with spreading branches heavily plumed with long, stiff, dark green needles. A useful species along the coast, and grows equally well inland. Popular for groupings or as specimens. 2 to 3 ft., \$3.00; 3 to 4 ft., \$5.00 to \$7.00.

BANKSIANA. (Jack Pine) Strong grower and hardy. 3 to 4 ft., \$2.00 to \$3.00; 6 to 8 ft., \$5.00 to \$7.00.

MUGHUS. (Mugho Pine) This unique alpine species forms a dark dome-shaped bush, broader than its height and sometimes almost prostrate. Suitable for lawn specimens or evergreen groups, terraces, rockeries and seaside plantings. 1½ to 2 ft., \$3.00 to \$4.00.

SYLVESTRIS. (Scotch Pine) A strong grower with spreading branches and short, stiff, bluish-green needles. Its rapid growth makes it suited for temporary effects, though it is by no means to be despised for permanent ones. Splendid for mass plantings, screens, shelter belts, and seashore uses. 2 to 3 ft., \$2.50 to \$3.00; 3 to 4 ft., \$4.00 to \$5.00.

PICEA ALBA. (White Spruce) One of the very best conifers, especially for cold climates. Compact, upright-growing, long-lived, retaining its branches to the ground, aromatic, drought resisting; varies in color from light green to glaucous blue. 2 to 3 ft., \$4.00.

EXCELSA. (Norway Spruce) This, our common spruce, embraces more desirable features than any of the others. It is rapid growing, does well in moist soil and withstands the bleak and cold winds of winter. 1.00; 2 to 3 ft., \$1.50; 4 to 5 ft., \$3.50; 6 to 7 ft., \$10.00.

EXCELSA INVERSA. (Weeping Norway Spruce) A very remarkable form. 4 to 5 ft., \$5.00 to \$7.50; 6 to 8 ft., \$8.00 to \$12.00 each.

EXCELSA ELEGANTISSIMA. A very fine variety. Specimens, 8 ft., \$7.00 to \$10.00.

PUNGENS GLAUCA KOSTERIANA. (Koster's Blue Spruce) This is the most beautiful of the evergreen family. The rich, silvery-blue coloring of the foliage is a rare bestowal of Nature and one she has saved for these grand trees. It will withstand the coldest climate, is a vigorous grower, and will do well in any locality. For color effect nothing equals this beautiful variety. 1½ to 2 ft., \$5.00 to \$7.50; 2 to 2½ ft., \$10.00 to \$12.00.

PUNGENS GLAUCA. (Colorado Blue Spruce) The original form of the new famous Colorado Blue Spruce. The foliage of this tree is quite blue. It is a strong, hardy grower in any soil. 2 to 3 ft., \$7.50 to \$9.00; 3 to 4 ft., \$10.00 to \$15.00.

RETINISPORA PLUMOSA. Main stems erect but side shoots assume a plume-like arrangement. The branches are slender and pliable, imparting a feathery appearance. Delicate, glaucous foliage. 1 to 1½ ft., \$3.00 to \$4.00; 2 to 2½ ft., \$5.00 to \$7.00.

PLUMOSA AUREA. (Golden Japan Cypress) One of the few really golden evergreens. The color of the young growths contrasts strongly with the darker shades of the older foliage. Striking and useful in many ways. 1 to 1½ ft., \$3.00 to \$4.00; 2 to 2½ ft., \$5.00 to \$7.00.

JUNIPERUS CANNARTI. Pyramidal compact habit, silvery foliage. 2 to 3 ft., \$5.00 to \$7.00; 3 to 4 ft., \$7.00 to \$9.00.

GLAUCA. (Blue Virginia Cedar) Throughout the year the leaves are a rich silvery blue. Very handsome and effective. 1½ to 2 ft., \$5.00; 2 to 3 ft., \$6.00 to \$8.00; 3 to 4 ft., \$8.00 to \$10.00.

PFITZERIANA. Very graceful and one of the hardiest varieties. 1 to 1½ ft., \$3.00 to \$5.00; 2 to 2½ ft., \$7.00 to \$10.00.

VIRGINIANA. (Red Cedar) Is always popular and can be used ornamentally in a number of ways, thriving well and making a fine appearance in soil or situations where other trees will not grow. 2 to 3 ft., \$3.00 to \$4.00; 4 to 5 ft., \$5.00 to \$7.50 each.

An Attractive Planting of Evergreens

THUYA ELLWANGERIANA. (Tom Thumb) In many respects it is similar to the Retinespora, and seems to be the connecting link between Arbor-Vitae and that family. 8 to 12 in., \$1.00; 1 to 1½ ft., \$2.50 to \$3.00; 2 ft., \$4.00 to \$5.00.

GLOBOSA. (Globe Arbor-Vitae) A low compact form with bright green foliage. 1 ft., \$2.00; 1½ to 2 ft., \$3.00 to \$5.00.

OCCIDENTALIS. (American Arbor-Vitae) Strong vigorous grower. Its upright slender growth makes it desirable for formal planting and for variety in grouping. Its ability to withstand shearing makes it unsurpassed for hedges. 1½ to 2 ft., \$1.00; 2 to 3 ft., \$1.50; 3 to 4 ft., \$2.00 to \$3.00; 4 to 5 ft. \$3.50 to \$4.00.

ORIENTALIS. (Biota) (Chinese Arbor-Vitae) An evergreen of exceptional good growth and good foliage. Excellent for hedges owing to its easy culture. Attractive for foundation or other plantings owing to its upright growth and good color, being distinct from all other varieties. 1½ to 2 ft., \$1.00 each, \$10.00 per doz., \$75.00 per 100; 2 to 3 ft., \$1.50 to \$2.00; 3 to 4 ft., \$2.50 to \$3.00 each.

PYRAMIDALIS. (Pyramidal Arbor-Vitae) Its compact slender column of dark green is ornamental as a lawn specimen for backgrounds and in groupings. 1½ to 2 ft., \$1.50; 2 to 3 ft., \$2.00 to \$2.50; 3½ to 4 ft., \$4.00 to \$5.00.

SIBERICA. (Siberian Arbor-Vitae) Globular shape, handsome and hardy. 12 to 15 in., \$1.50 to \$2.00; 1½ to 2 ft., \$2.50 to \$3.00; 2 to 2½ ft., \$4.00 to \$6.00.

TSUGA CANADENSIS. (Hemlock Spruce) A medium sized tree with pendulous branches whose graceful character is in striking contrast to some of the formal conifers. This is a rapid grower and very hardy. 1½ to 2 ft., \$2.00; 2 to 3 ft., \$3.00 to \$4.00.

Fall is the planting season ideal. Weather conditions are most favorable, soil is most amenable to handling, and there is more time to plant properly.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Fruit Department

No home grounds are complete without at least a few fruit trees. Nothing is more beautiful in early spring than a fruit tree full of bloom, besides the great satisfaction derived from picking fine, ripe fruit from trees in your own yard. Our list of varieties is somewhat limited but all offered below is the very choicest and best for general planting. One dozen trees or plants of any single variety listed on this page may be ordered at ten times the single rate price.

APPLES—Early Varieties

- EARLY HARVEST**—Medium, pale yellow, tender, juicy.
RED ASTRACHAN—Large, beautiful, deep crimson, good cooker.
YELLOW TRANSPARENT—Earliest and best; white tender, juicy, sprightly, sub-acid.

APPLES—Late Varieties

- BALDWIN**—Large, bright red, crisp, juicy, rich.
BEN DAVIS—Large, handsome, striped, valuable.
BISMARCK—Handsome, yellow, sometimes shaded red; red cheek.
GOLDEN RUSSET—Medium, dull russet, crisp, juicy.
JONATHAN—Beautiful red, juicy, tender, excellent quality.
NORTHWESTERN GREENING—Hardy, yellow, rich, of good size, extra long keeper.
ROME BEAUTY—Large, yellow, shaded red; tender, juicy, sub-acid.
WAGNER—Good size, deep red in the sun; flesh firm, sub-acid, excellent.
WHITE PIPPIN—Large, yellow, tender, sub-acid; good grower and keeper.
 All varieties apples, 5 to 7 ft. trees, \$1.00 each; extra select trees, \$1.25 each.

CRAB APPLES

- HYSLOP**—Large, deep crimson; one of the most beautiful of Crabs; very popular.
TRANSCENDENT—Immensely productive, bright red, one of the most popular.
 All varieties crab apples, 4 to 6 ft. trees, \$1.00; extra select trees, \$1.50 each.

CHERRIES

- BALDWIN**—Large, round, slightly sub-acid, sweet and rich.
EARLY RICHMOND—Medium, dark red, melting, juicy, sprightly, rich acid.
ENGLISH MORELLO—Fair size, blackish red, rich acid, juicy, good.
MAY DUKE—Large, red, juicy, rich. Very fine.
MONTMORENCY—Large, red, productive, ten days later than early Richmond.
NAPOLÉON—Large, pale yellow or red; firm, juicy, sweet and productive.
WINDSOR—Fruit large, remarkably firm and of fine quality. A late variety.
 All varieties cherries, 5 to 7 ft. trees, \$1.25 each; extra select trees, \$1.50 each.

GRAPES

2-year No. 1 Stock

- CONCORD**—The well known black grape, succeeds wherever grapes will grow. 35c.
CATAWBA—Berries large, round; when fully ripe of a copper red color. 35c.
DIAMOND—The leading early white grape. White, with rich, yellow tinge. 50c.
EARLY OHIO—Very early, hardy, and productive. 40c.
WILDER—Black bunch and berry, very large and round. 50c.
WORDEN—A splendid black grape. Vine vigorous, hardy and productive, 50c.

PEARS—Early Varieties

- BARTLETT**—Large, buttery, juicy, high-flavored, great bearer; very popular.
CLAPP'S FAVORITE—Very large, yellow and dull red, with russet specks, melting, rich.

PEARS—Late Varieties

- FLEMISH**—Large, juicy, rich; one of the hardiest.
KEIFER—Its large size and handsome appearance make it exceedingly profitable for market.
WORDEN-SECKEL—(New) Very fine and productive.
 All varieties Pears, 5 to 7 ft. trees, \$1.25; extra select trees, \$1.50.

PEACHES

- CRAWFORD'S EARLY**—A magnificent large yellow peach of good quality.
ELBERTA—Large, yellow, with red cheek; flesh yellow, firm, juicy.
LEMON FREE—Lemon-shaped and color, large size.
 All varieties Peaches, 4 to 5 ft. trees, 75c; extra select trees, \$1.00.

PLUMS

- ABUNDANCE**—Fruit large, lemon yellow, with heavy bloom; good quality.
BURBANK—The best and most profitable for the market.
DIAMOND—A large, magnificent plum. Dark purple; beautiful bloom.
LOMBARD—Medium, violet, red, juicy, good, hardy and productive.
 All varieties Plums, 5 to 7 ft. trees, \$1.50; extra select trees, \$1.75.

BLACKBERRIES

2-year No. 1 Stock

- ELDORADO**—Fine, large clusters. Very hardy.
RATHBUN—A very fine, large variety.
 Both varieties, 25c; \$2.50 per dozen.

RASPBERRIES

2-year No. 1 Stock

- CUMBERLAND**—The best black, very large.
GOLDEN QUEEN—The best yellowish white.
KING—The best large red.
 All varieties, 15c each; \$1.50 per dozen.

DEWBERRIES

2-year No. 1 Stock

- LUCRETIA**—The largest and best variety. 15c each; \$1.50 per dozen.

STRAWBERRIES

No. 1 Select Stock

- SENATOR DUNLAP**—The best grower and free bearing. 50c per dozen, \$2.50 per 100.

WAGNER'S LAWN GRASS SEED

HOW TO MAKE A LAWN. All good gardeners now use seed for the making of a good lawn in preference to turf or sod. The preparation of the ground is an important feature and the best soil is a medium texture, neither very heavy nor exceedingly light; the surface should be thoroughly pulverized and level. Remove all stones, sticks, sods, etc., harrow or rake it fine and roll it firm. It is impossible to get the soil too fine to receive the seed. Sow the best seed obtainable, it is always cheapest in the end. It is best to sow seed liberally, not only to produce a lawn quickly, but because the best lawn seed produces fine-leaved grasses, which should take entire possession of the ground at once, thus choking out and preventing the development of any weed seeds, which are apt to be in all soils. Distribute seed evenly, going both ways across the plot. After sowing, cover the seed by raking lightly; then roll the ground. When the grass has become well rooted, use lawn mower for cutting it, and keep mower sharp, as if dull it will pull and injure the grass, besides causing the lawn to have an uneven appearance. Never allow the grass to become so high that the mower will take off the first joint, as this is an injury. Mow as often as necessary; in growing weather at least once a week. Let the short clippings remain on the lawn, as they wither and dry and form a protection to the roots. When the clippings are long, they should be raked off, for besides being unsightly, they are injurious. When the weather is dry and hot, avoid cutting too close.

QUANTITY OF LAWN GRASS SEED USUALLY REQUIRED IN MAKING A NEW LAWN

10 x 25 feet requires.....	1 pound	40 x 50 feet requires.....	8 pound	50 x 100 feet requires.....	16 pound
25 x 50 feet requires.....	5 pound	40 x 60 feet requires.....	10 pound	50 x 150 feet requires.....	24 pound

For Renewing Old Lawns—Use about one-half the quantity given above.

"WAGNER PARK" GRASS SEED—A special mixture which we prepare. Prices: 60 cents per pound; 5 pounds for \$2.50; bushel (20 pounds) for \$9.00.

"PREMIUM" GRASS SEED—This mixture while not quite equal in quality to "Wagner Park" variety, is a good clean mixture and an excellent lawn may be produced with it. Prices: 50 cents per pound; 5 pounds, \$2.00; bushel (16 pounds) \$6.00.

"SHADY LAWN" GRASS SEED—Fine for shady places and where other grasses will not grow. 50 cents per pound; 5 pounds, \$2.25; bushel (16 pounds) \$6.50.

KENTUCKY BLUE GRASS SEED—We offer purest seed obtainable. 60 cents per pound; 5 pounds, \$2.75; bushel (14 pounds) \$7.00.
 Prices of seed for Golf Grounds quoted on application.

The charm of the garden rests in constant change and variety, which can be better secured with hardy plants than with any other. Plant them this Fall.

WAGNER PARK NURSERIES, SIDNEY, OHIO

Special Collections for Verandas, Foundations, Borders, Etc.

For the convenience of those who do not have the knowledge, or have not the time to study the catalogue and select plants that will give good and effective results, we have arranged the following assortments, which are suitable for planting against veranda and house foundations or for general grouping. With these various assortments you will find some to meet your particular needs and give the same results as illustrated on this page.

Wagner Hardy Borders Are Perennial Pleasures

Wagner Hardy Borders are made up of the handsomest and hardiest of Perennials and Herbaceous Plants already arranged for setting out with a view to securing the finest effect in the space at command and the longest period of harmonious bloom.

Varieties in every Wagner Hardy Border are labeled, numbered and packed in proper order for planting. You can make a perfect picture of your place with one of these artistic color schemes. And REMEMBER!—once established, a Wagner Hardy Border needs little care for years.

These collections are suitable for borders along fences, screens, boundary lines, walks and formal gardens.

ASSORTMENT No. B- 1—For bed 4x10 feet, consisting of 15 thrifty Hardy Plants, \$2.25.	Extra large plants, \$ 3.75.
ASSORTMENT No. B- 2—For bed 4x20 feet, consisting of 30 thrifty Hardy Plants, \$4.50.	Extra large plants, \$ 7.50.
ASSORTMENT No. B- 3—For bed 5x10 feet, consisting of 20 thrifty Hardy Plants, \$3.00.	Extra large plants, \$ 5.00.
ASSORTMENT No. B- 4—For bed 5x10 feet, consisting of 20 thrifty Hardy Plants, \$6.00.	Extra large plants, \$10.00.
ASSORTMENT No. B- 5—Nice thrifty Hardy Plants, \$3.75; in extra large plants, \$6.25.	
ASSORTMENT No. B- 6—50 Nice thrifty Hardy Plants, \$7.50; in extra large plants, \$12.50.	
ASSORTMENT No. B-17—20 Nice plants, "Wagner Iris," \$2.00; in extra large plants, \$3.50.	
ASSORTMENT No. B-18—15 Nice thrifty Eulalias in three varieties, large plants, \$2.00; extra large plants \$4.50.	

We always ship proportionate quantities of tall, medium and dwarf varieties in filling orders for these collections and label the plants so anyone can properly arrange them that the most artistic and pleasing effects are obtained.

NOTE—Anyone desiring a plan for planting any of the collections offered above may obtain same by sending us, with their order, a rough sketch with dimensions of that part of grounds desired to improve. We will then select just such varieties that will meet your particular needs. For more elaborate or complete plans refer to rear cover page. General instructions on planting, care, etc., accompany each order.

Wagner Landscape Service

WAGNER LANDSCAPE SERVICE is for the purpose of planning layouts and supervising the planting of all private and public grounds, no matter how elaborate or simple they may be. Our experts are fully experienced in every kind of work, and they bring to your work a large measure of successful experience.

However, we realize that a great number of people who will wish to purchase from this catalogue will desire a certain amount of help in planning their grounds, yet will hesitate in employing the service of a landscape gardening organization.

And for the special benefit of these customers we have, for the past several years, been offering for a fee of only \$2.00, a plan for your grounds—giving you a garden that will bloom from early spring till late in the fall.

You merely send us a layout of your grounds as they are to-day, showing walks, drives, buildings with dimensions, trees, or plantings (if any) and attach

any other information that may be essential such as slopes, photos, etc., and all measurements.

This sketch will then receive the personal attention of

Janet Brown

who is one of the most capable designers of home gardens in the

country, a young woman Landscape Artist who has been engaged in this work in our office for years.

She knows how to secure original ideas of design, yet every feature will harmonize perfectly with the whole scheme, giving you a delightful effect throughout the entire year.

She prepares for you a complete plan and everything is shown on a new layout which she furnishes to guide you in your planting.

You also receive a coupon good for \$2.00 (the amount you pay for this service) which will be credited against the purchase price on an order amounting to \$20.00 or more.

In reality we do not charge for the sketch prepared by Miss Brown. We merely utilize the coupon idea to prevent being asked to give this valuable service to those who may have no intention of using plans or buying plants. Obviously, we could offer such a service only to our own customers. You'll be delighted if you try this service. The above is our Service No. 2.

We Design and Plant Large Public and Private Grounds of All Kinds

Our professional landscape men go everywhere to plan and plant Large Home Grounds, Parks, Universities, Schools, Factories, Sanitariums, Hotels and all other large institutions.

Scope of Wagner Landscape Service

In the Wagner Landscape Service there are really four departments and each has its distinctive service. These in their order are as follows:

Service No. 1 For the lover of flowers, who in buying from Wagner Park Nurseries a small lot of plants for a foundation planting, a border bed, or a particular spot, wants some suggestions as to arrangement of plants ordered. To such a purchaser, we will send a plan free of charge. We ask that you send us with your order a rough outline sketch with measurements of that portion of the grounds you want to plant. See page 23 for some desirable assortments at specially low prices.

Service No. 2 (JANET BROWN PLANS) There are those whose plot of ground is comparatively small, yet they want guidance in having a plan that will enable them to plant correctly and one that will give them real artistic effects. We are prepared to help this class of home owners by furnishing a planting sketch for the nominal charge of \$2.00. This amount will be credited on any subsequent orders, amounting to \$20.00 or more. See top of this page for details of this service.

Service No. 3 For the owners of larger places who while wanting expert advice, yet feel that they do not care to go to the expense of having a representative of Wagner Landscape Service Department call upon them and make a personal survey, we prepare a comprehensive plan drawn to scale. For this plan, we charge \$5.00 and on purchases of \$50.00, or over, of stock, we will credit this amount. Plans from this department can be used as a basis for a planting to extend over several years, if all is not done the first season. They will be found most satisfactory in every way.

Service No. 4 This is a department we maintain for the planning and planting of Large Home Grounds, Estates, Parks, Factory Grounds, Schools, Universities, Hotel and Sanatorium Grounds, Subdivisions, and Cemeteries. These plans are often prepared by mail, but when possible we suggest a personal survey by one of our landscape architects. Not only will the plans be more accurate and the work given personal attention but will be assured of a proper arrangement for the plantings and the general landscape. Further to be assured that only those varieties will be used best suited to the needs and from which most artistic effects and results will be obtained. Our terms are most reasonable for such service and will be stated in our correspondence.
